Quickly life fleets by
Pausing only to lead you forward.
A path brilliantly lighted
by many faces:
Democracy, education, opportunity,
and understanding.

*Life —
A Sea of Faces*

Faces of Democracy . . .

E Pluribus Unum—One Among Many.
A nation—a world leader,
A home of freedom, equality,
faith, and loyalty.
Also, a state—one of fifty.

Po-Hi paused with the mourning nation to pay tribute to former President Dwight D. Eisenhower.

Representing Ponca City High School and Oklahoma, the Big Blue Band marched proudly before President Richard M. Nixon during the inaugural parade.

Senior

Debbie Smith—*Lieutenant Governor*

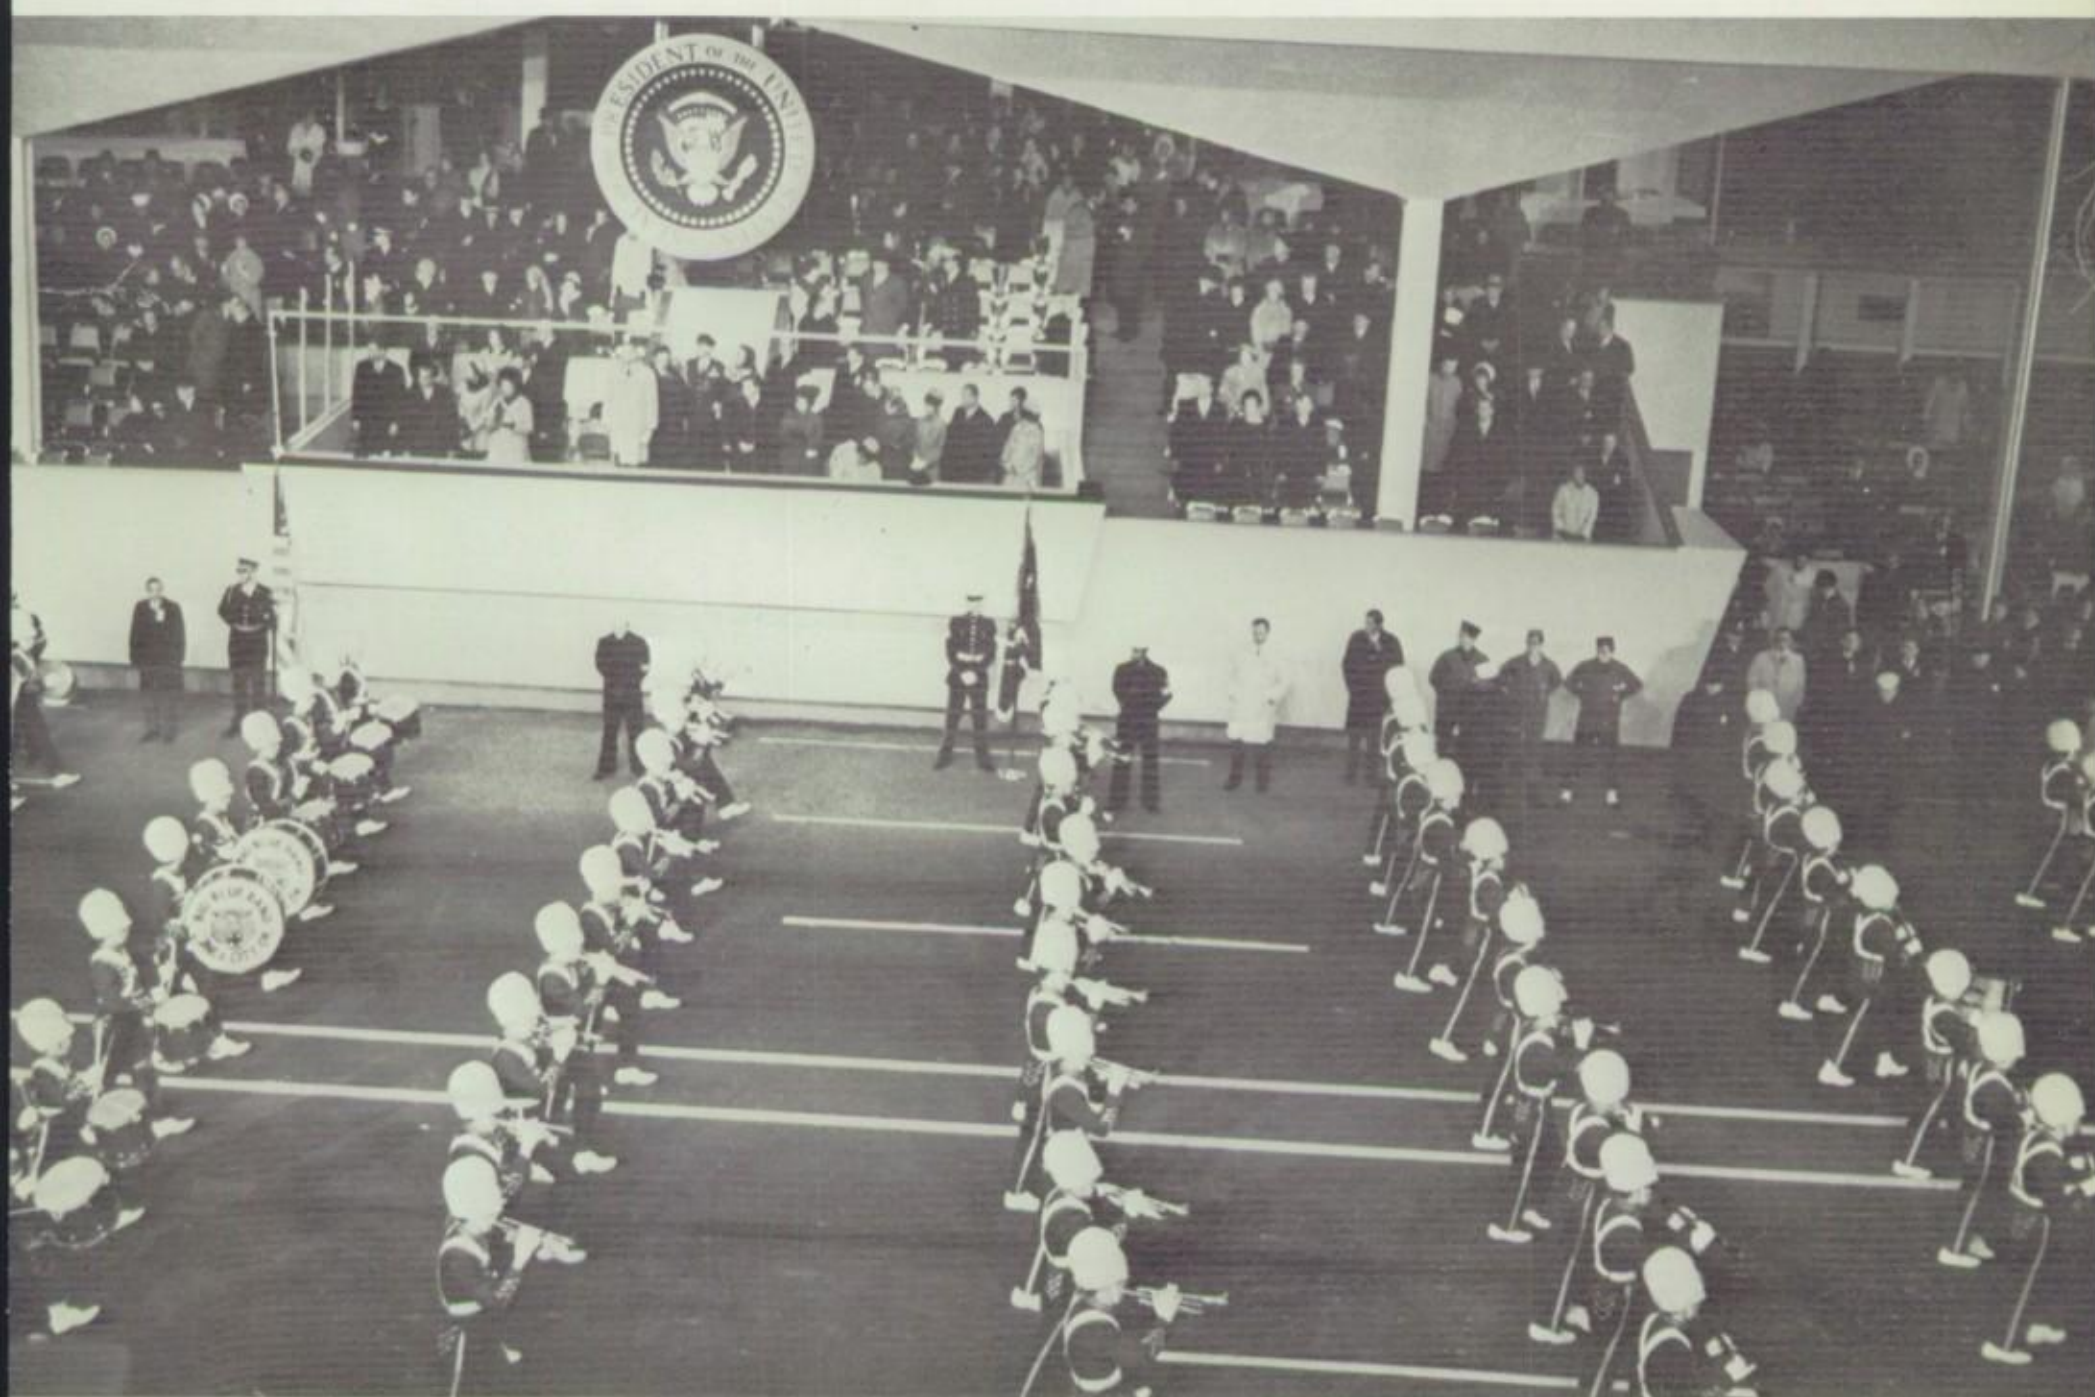

Gerry Hanggi—*Co-ordinator*

FAR LEFT: Voting is a privilege for Americans. Po-Hi students were given the opportunity to learn about campaigns and voting privileges in the student council elections.

CENTER: Laws are to be understood. Through the Youth and Government program Po-Hi students became better acquainted with state and national government.

RIGHT: State pride is association. As newly elected secretary of the Oklahoma Association of Student Councils Po-Hi will host the annual fall convention next year.

Faces of Opportunity . . .

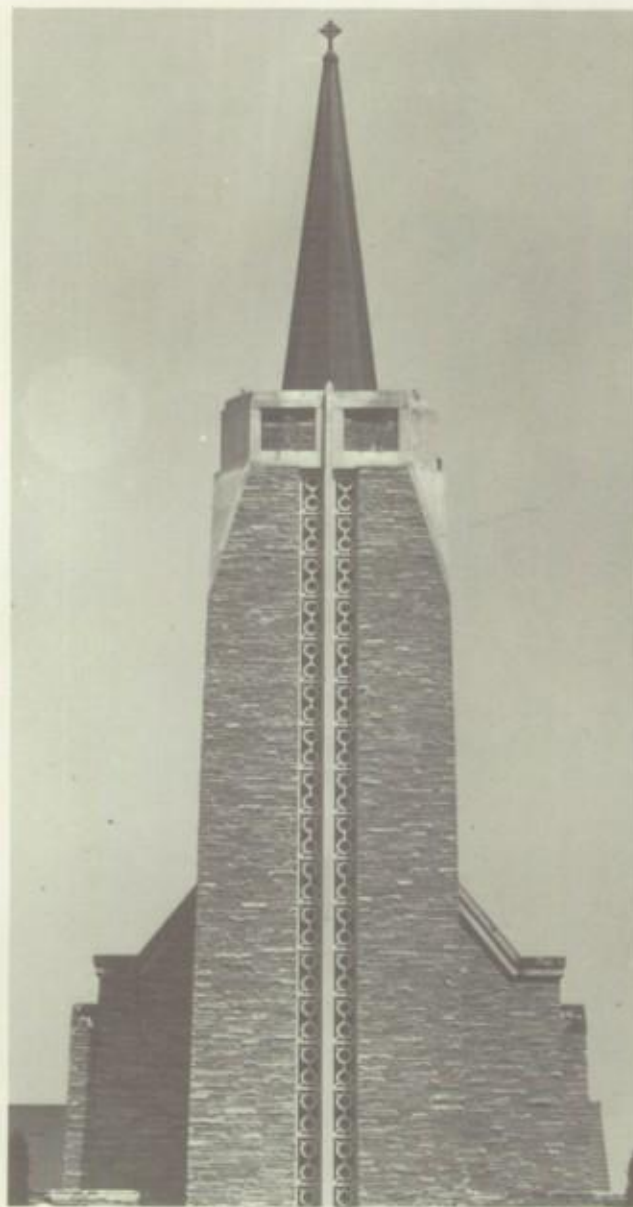

Ponca City

Only a dot on the map,
But proud of its heritage.
A tower of strength;
a face of education
Our way is lighted.

CENTER PICTURE: Our heritage was portrayed in the seventy-fifth Cherokee Strip Anniversary by the guest star of the rodeo, "Festus" of Gun Smoke.

RIGHT: A city, proud of her churches, provides students with spiritual guidance not to be surpassed. The Presbyterian steeple represents this spiritual strength.

Builders of a city of expansion worked long hard hours to finish the additions to the stadium before the homecoming game.

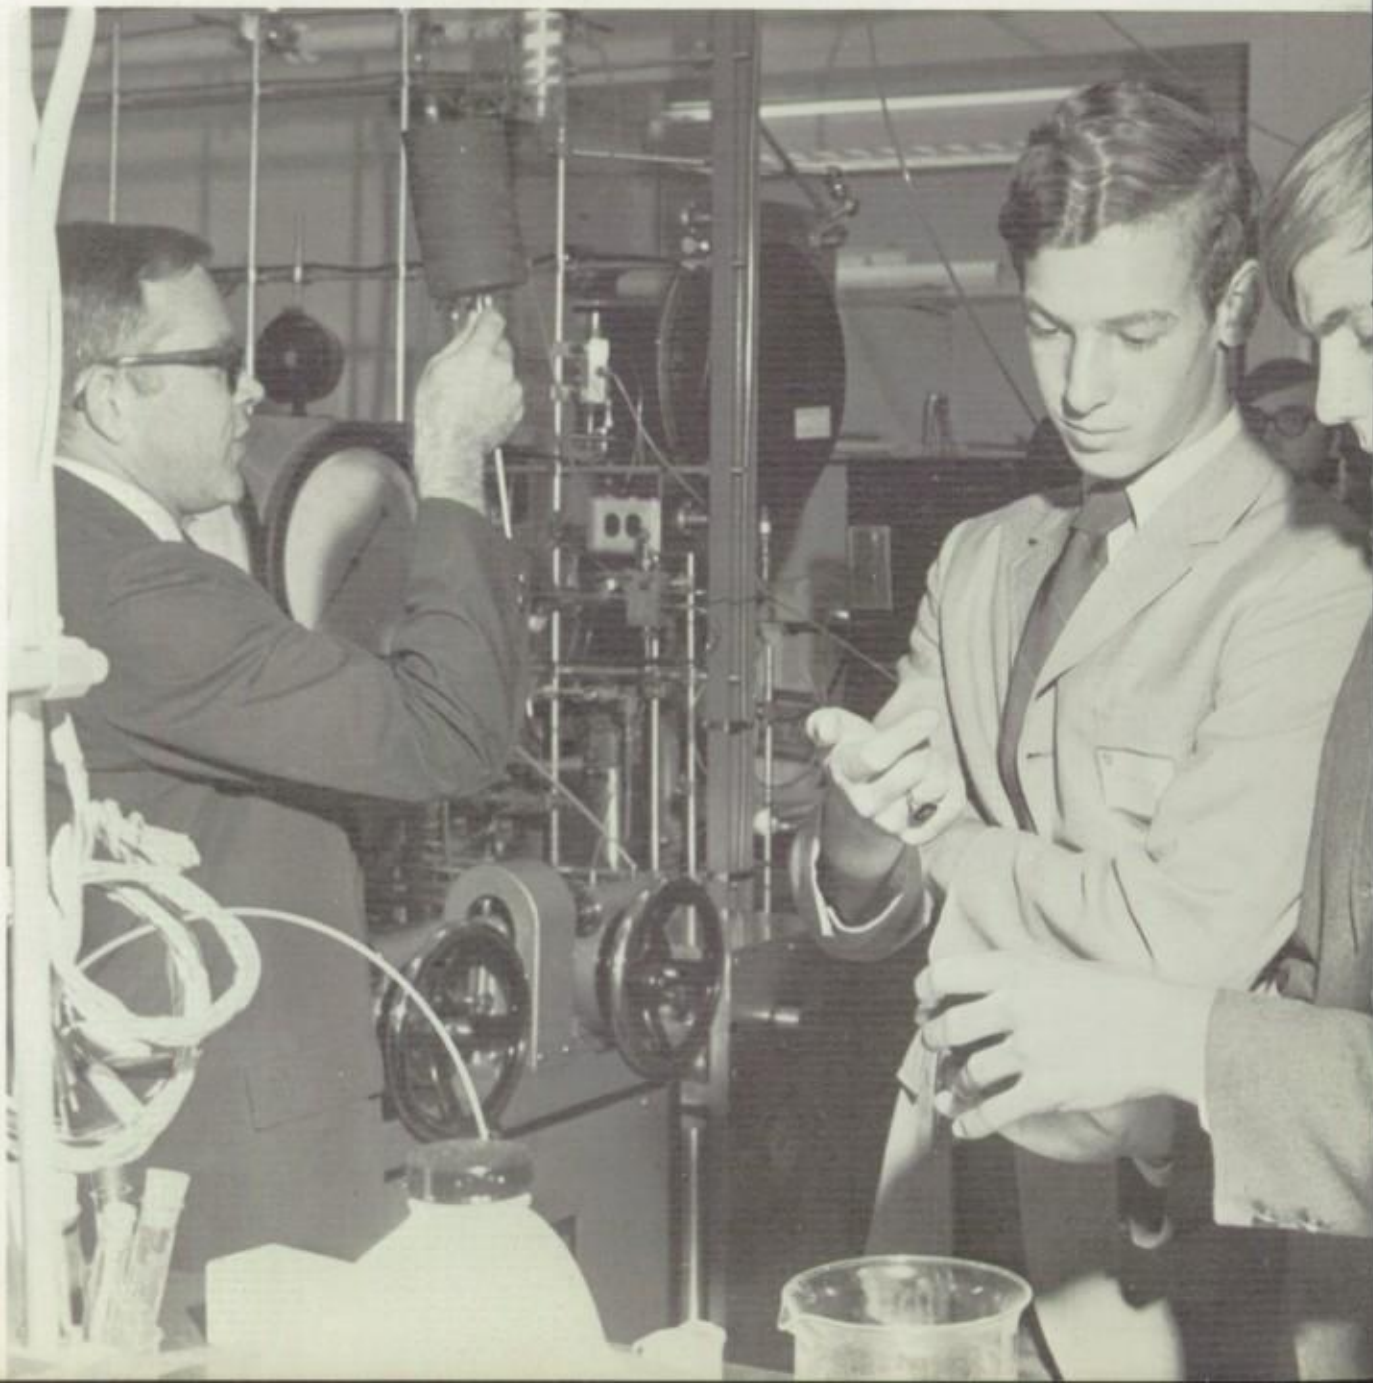

Our town has provided twelve years of education for us ... now as Seniors we must look on to the future.

Faces of Understanding . . .

Faces of wisdom
In an age of dissent
The generation gap bridged
Through new understanding.

A new face this year, Dr. Joan Leavitt, helped many sophomores with various school and outside problems.

Top senior students learned more about Ponca City industry through the Conoco Executive for a Day program.

Decision, Decisions! Ron Heldenbrand and Kirk Shrewsbury are guided in court procedure by Sergeant Harold Goodman, sponsor of the Youth Traffic Court.

Steve Erkenbeck and Janice Wolter receive their N.H.S. pins and congratulations from Principal Robert Ford during the spring initiation.

Faces of Emotion . . .

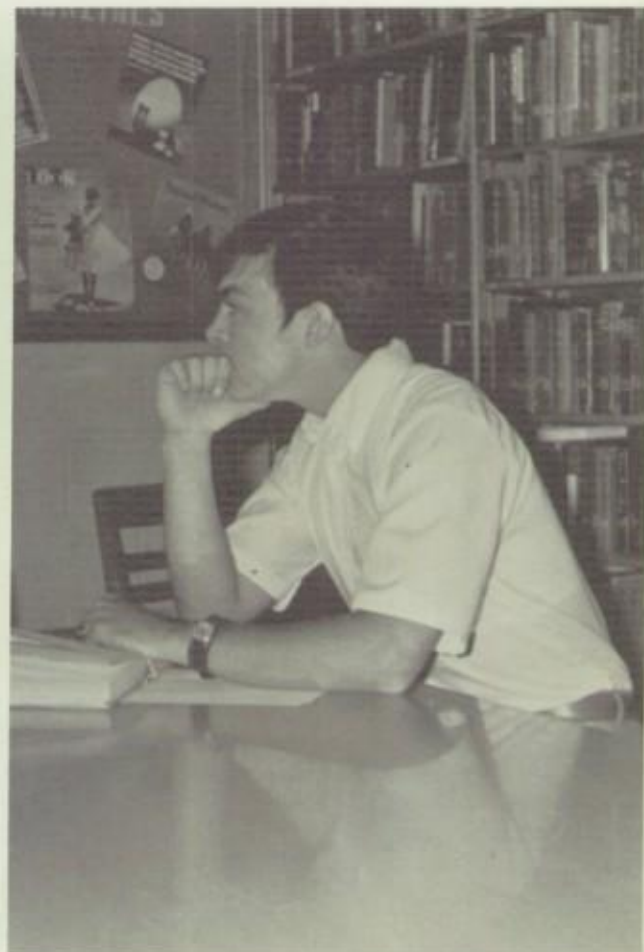

"... Fight Tonight!" The cheerleaders kept up our enthusiasm throughout the sports season.

Roz Carlson crams for semesters.

Janet Merrifield clowns before a pep assembly.

Greg Dove pauses caring about his future.

Only a face in the crowd,
Doing his own thing—
Cramming—clowning—
caring
Being an individual.

Doing their own thing, deciding upon what type of pizza, is couple, Sandy Simons and Mark Leavitt.

Success—elation or defeat—disappointment are both a part of an individual's life. Mark Yerkes retires from the mat with an air of disappointment.

Proud of her homeroom, Miss Madge Quigley adds another clipping to her favorite bulletin board.

A small token of great esteem In remembrance of a very great and special person.

"School is not easy and it is not for the most part very much fun, but then, if you are very lucky, you may find a teacher."—John Steinbeck.

The students of Po-Hi have been lucky enough to find just such a

teacher in their Miss Quigley. They eagerly seek enrollment in her classes and they return from universities to cite her course as the most beneficial. Students respect her high standards, appreciate her integrity, and accept her fair judgement. Her influence on the students has been very evident as they leave high school to attain higher academic achievements; commendable military records; successful

business and professional careers; happy parenthood; and full and meaningful lives.

As she retires, the 1969 Cat Tale dedicates this year's book to her for her twenty-three years of devoted teaching.

1969 Cat Tale Dedicated to Retiring Teacher

"Me, Mi, Mo," articulates Miss Madge Quigley, who tries to demonstrate how important articulation is.

As a dedicated teacher, Miss Madge Quigley, keeps individual records of grades and comments for each student.

Saluting Miss Madge Quigley, by forming a "Q" is her pride and joy, her last Senior homeroom.

"Are you sure all you want for Christmas is the date—May 23?" Santa Clause questioned Mr. Robert Ford after he refused to get rid of . . .

Student teachers, Kathy Doyle and Beth Clift double-up to teach the philosophy of the "Little Prince" to the French II class.

Mrs. Carolynn Munger demonstrates the correct procedure of titrating to chemistry students, Jimmy Hess and Mark Yerkes.

Academics

Miss Carolyn Bagby animates her teaching by relating to her homeroom personal experiences of her tour to England.

Members of the School Board are: Mr. C. Richard Pitts, Mr. R. E. Geren, Dr. Allen Robson, Mr. Owen Cavett, and Mr. Jim Walizer. TOP Row: Dr. Milford Lee, Mr. George Page, Mr. O. W. Meyer, Mr. Floyd Martin, Mr. Charles Duffy, Mr. Lawrence Dronberger, Dr. Harold Jones and Mr. Cecil Jordan.

Several Projects Accomplished Through Board

To most Po-Hi students the Board of Education seems far-removed from school life, but as the governing body of our school the board is really an active participant in Po-Hi activities. Through the work of the Board this year Blaine Stadium's seating capacity was increased by 1600. They also redecorated Howell Auditorium and furnished it with red-cushioned, silver backed chairs and red carpeting. Student Council projects were also aided by the Board.

Keeping accurate records for the Board is MR. OWEN CAVETT, Clerk of the Board of Education.

DR. ALLEN ROBSON, Superintendent of Schools, checks up on last minute details before the next Board meeting.

Through his automobile radio, MR. R. E. GEREN, Assistant Superintendent of Schools, keeps in close contact with maintenance personnel.

Discussing their plans for this year's pre-enrollment booklet are Principal Mr. Robert E. Ford, and Vice Principals Mr. Delbert Carlile and Mr. Tom Wyatt.

Principal and Assistants Have Varied Hobbies

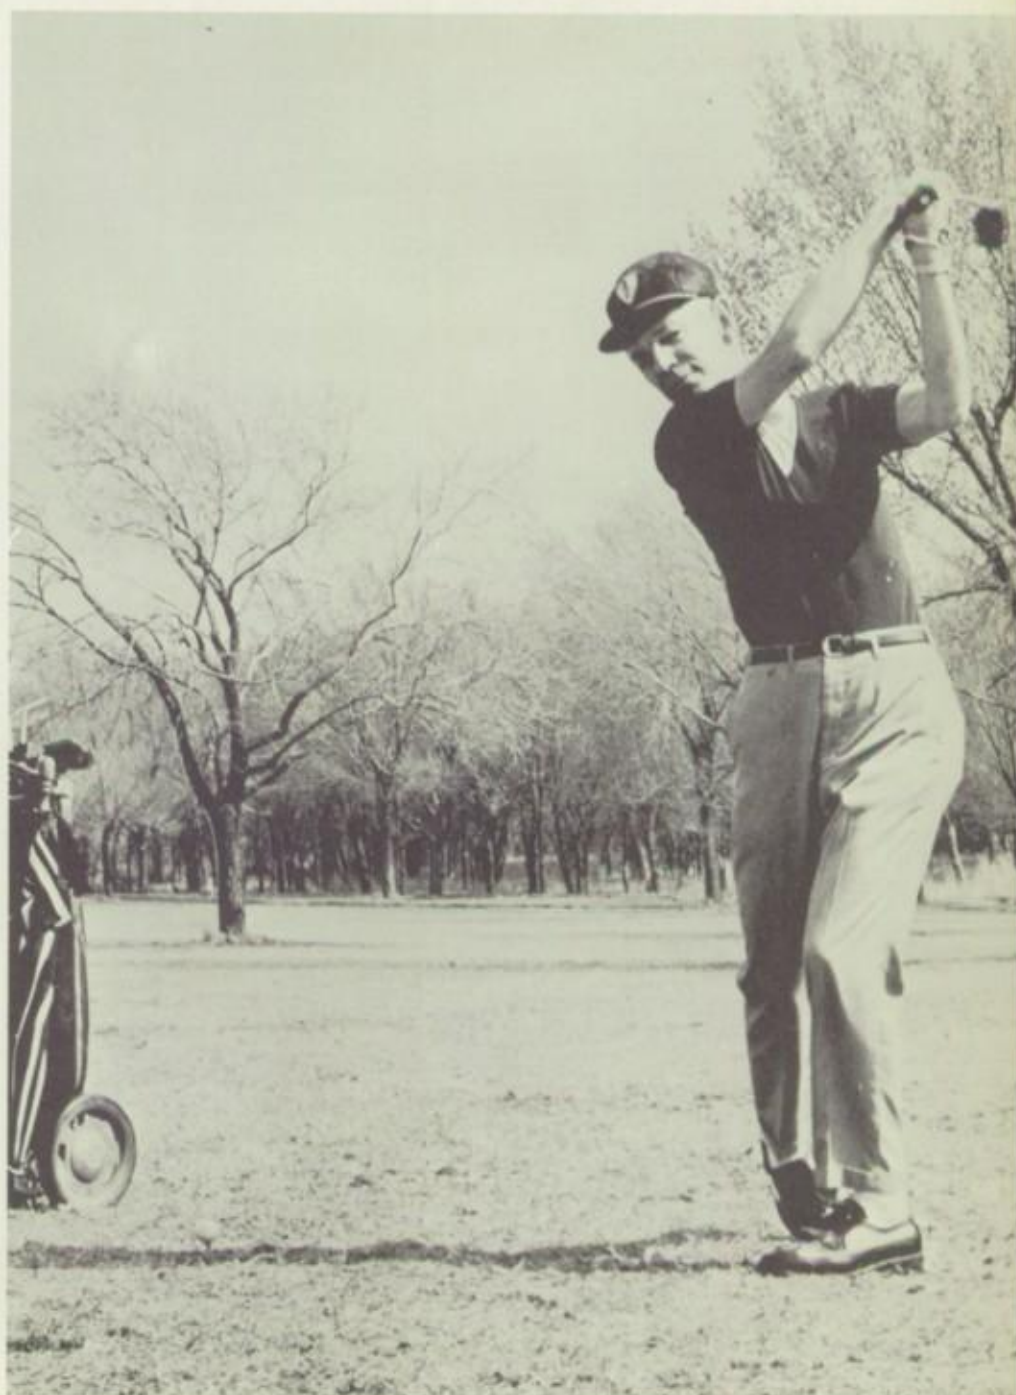

Enjoying both his hobbies—his grand-daughter, Chris, and fishing is Vice-Principal Mr. Delbert Carlile.

During the past year, Mr. Robert Ford and his able assistants have greatly influenced each of our lives. They know what is best for Po-Hi and they see that she gets the best. Whenever there is a football game, an assembly, a school production, or if they are needed for guidance, they are always there to help.

As well as these duties, these important men live a life away from school, where they find enjoyment in such hobbies as fishing, hunting, and playing golf.

Hunting with his dog, Spot, is Mr. Robert Ford's way of resting after a busy week as Principal of Po-Hi.

"A hole in one," is Mr. Tom Wyatt's desire when he plays his favorite sport, golf. Mr. Wyatt serves as Vice Principal, Senior Boys' Counselor, and Scholarship Advisor.

Mrs. Ritcheson practices her best smile as she rushes to class.

Getting into the swing of things, Mrs. Baird delights in assigning her first book report.

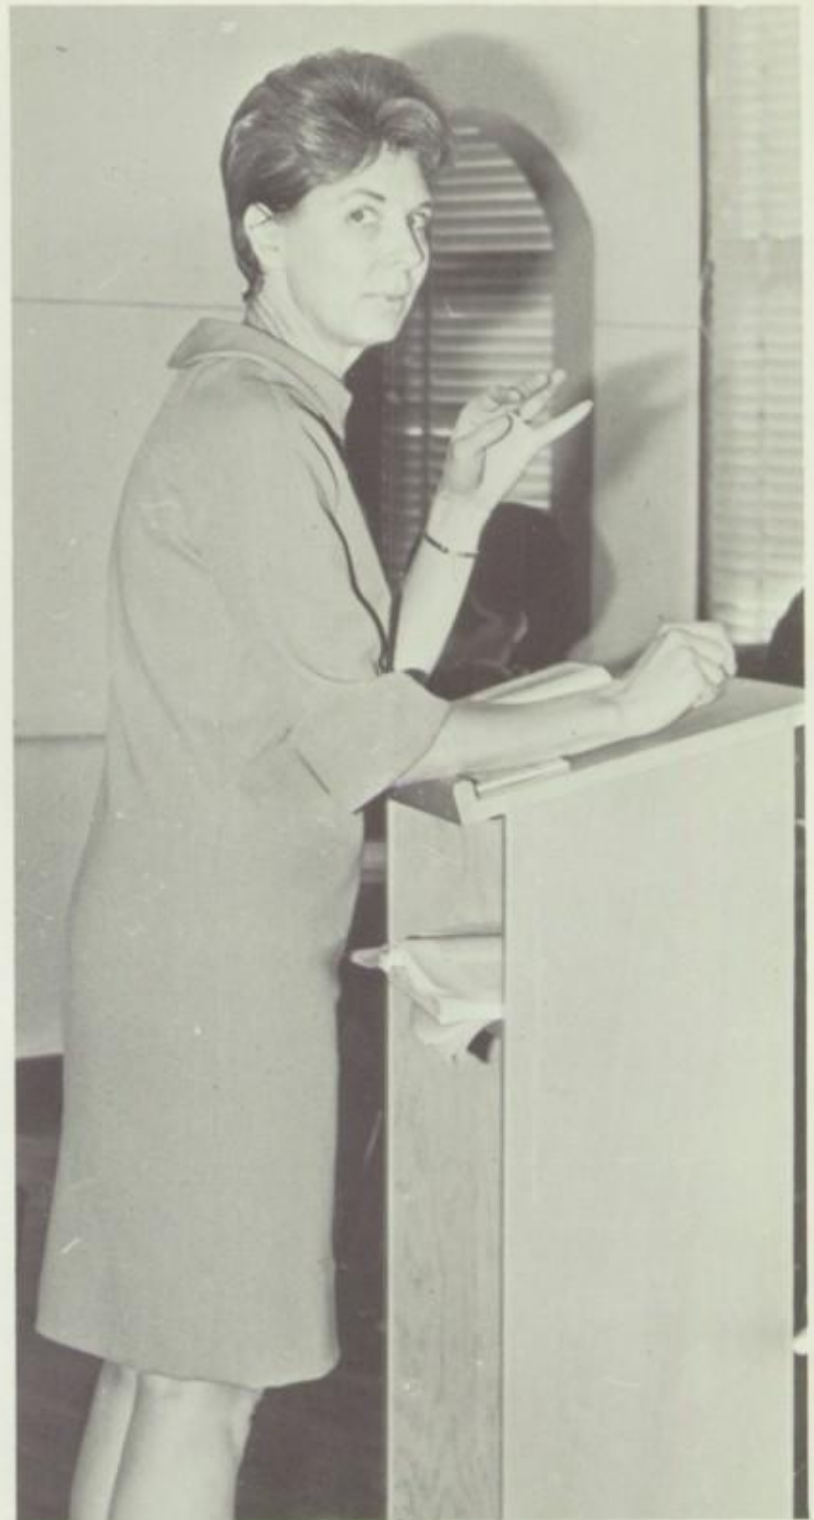

Trying to keep one step ahead of her classes, Mrs. Kathleen Housh spent her third hour planning future lessons.

*Shakespeare comes into the lives of Sophomores as they study **Julius Caesar**. They travel on to **Hamlet** as Juniors, and finish their high school careers with **Macbeth**. Composition and grammar are also presented in detail during these three years.*

Three new energetic instructors began at PO-HI this year. Mrs. Jean Faulconer became sponsor of the *Poncan*. She also taught Junior English and Journalism. Mrs. Sarah Baird and Mrs. Kathleen Housh instructed classes in Sophomore English.

Courses offered in relation to English are: creative writing, journalism, speech, and speech activities.

New Social Studies Course Added for Seniors

Great Books and Ideas taught by Mr. Carl Flippin, was a new senior social studies course initiated this year. Students were required to read twenty books during the year. This was a college preparatory course, and the students became familiar with some of the pressures and responsibilities of a higher education.

Social studies courses to acquaint the students with the past and how it affects the present and future are World History, American History, and World Geography.

Current International Problems, Problems of Democracy, Government, Economics, Psychology, and Sociology are modern courses used to teach the student how to live in the modern world as mature adults.

Six social studies credits are necessary for graduation from PO-HI.

"Ow!" cries Mr. Dewey Runyan, "someone slammed the door on my fingers."

Mr. Carl Flippin waits to give parents a quickie course in psychology on Back-to-School night.

"It'll only hurt a minute," counsels Coach Currens, as Mr. Ford administers a booster of Po-Hi spirit to Mr. Leming.

Mrs. Barbara Boesch takes time out of her busy schedule to chat with Mr. Ford.

Explaining last night's homework, Miss Dottie Kelley grants a last chance for questions.

"Only five more minutes," sighs Mr. McCracken, as he awaits the Friday final bell.

Mr. William Garwood seems amused as he reads through a student's notebook.

Senior Students Choose From Advanced Courses

To be prepared for the future, a good background of science is needed. PCHS gives a wonderful opportunity to its students.

Students have a wide variety of science courses from which to choose. Advanced chemistry, taught by Miss Dottie Kelley, is a new subject this year. Mr. William McCracken has taken over advanced biology. These two subjects, along with Physics, and physical science are available also.

Interested students may also join related clubs.

Mr. James Farrell utilizes a chart in a discussion with Mrs. Carolyn Munger.

Help! The cry rings throughout the halls as students rushed to their respective math rooms for help with homework.

Mr. Francis Nine became familiar with this routine as he taught geometry this year.

Many chances for advanced learning in mathematical courses are available. Only two units of math are required for graduation, but many students planning for college took advanced courses.

Upper classmen in advanced courses offered to assist teachers when tutoring was needed.

Apparently, the overhead projector has proven its worth to Mr. Jim Nickols.

Mr. Schwenker discusses algebra, present and future with a former student.

That pesky yearbook photographer again, muses Mr. Robert Moore, director of vocal music.

"Eight ball in the side pocket," hopes Mr. Al Cassingham as he prepares to take a shot at the Teacher Fun Night.

Decisions! Decisions! Students find it tougher each year to decide what electives to take. Students may choose from these courses as they wish, in addition to the required subjects. Electives are designed to prepare students for their individual col-

lege, business, or home careers.

Mrs. Jane Johnson, who has taught at PO-HI in previous years and more recently has served as a substitute, returned as a Spanish I and III teacher this year. Mrs. Bernita Boesch,

who was in charge of the library during summer school, began to teach American History during 68-69. The enthusiastic Mr. Sherol Hovis carried full load with both American History and World History.

Valuable Business Training Offered to Students

The fine points of the game are explained to Mrs. Boyer as she watches her husband closely during the teacher's fun night.

Students wishing to enter the business field can be well prepared on graduating from Po-Hi. Courses in bookkeeping, shorthand, typing, business math, consumer economics, machine math and distributive education give students the confidence to compete in the business world.

Mrs. Betty Boyer, who taught the second semester last year, joined the faculty teaching typing and shorthand.

Mrs. Austell enjoyed planning lessons for her machine math students.

New Faces Instruct Several Industrial Classes

New faces highlighted the vocational courses this year. Mr. Gary Schroeder taught mechanical drawing classes until called into the service. Mr. John Hanks then succeeded him. Trade printing was taught by Mr. Deroy Skinner.

The printing shop received several new types of machinery such as the intertype. The related club, advised by Mr. Skinner sponsored many worthwhile projects through the year.

Woodworking, mechanical drawing, machine shop and auto mechanics are an extension of the industrial world, as vocational agriculture is an extension of the farming industry.

Mr. DeRoy Skinner supervises the printing of programs for the Pon-Dram-Panic.

Mr. Don McElmurry watches as one of his students test a machine.

Attendance Office Aids the Secretarial Staff

Additions to the secretarial staff at Po-Hi were made this year, with the creation of a separate attendance department. Mrs. Adrenne Kruse was in charge of this, while Mrs. Lottie Dorman took care of the A-building office and Mrs. Betty Walters was the activity office secretary. Mrs. Peggy Brenneman and Mrs. Shirley Pigg were instructional aides, helping the teachers.

Mrs. Agnes Dunn, Mrs. Betty Sanders, Mrs. Vivian Heinze took care of business in the main office and the business office.

With a friendly smile, Mrs. Adrenne Kruse greeted students in the attendance office.

Intent on her work, Mrs. Lottie Dorman doesn't even notice the photographer.

Taking it easy, Mrs. Betty Walters pauses for a few minutes in the activity office.

Students Are Guided by Six Po-Hi Counselors

Arranging students schedules for next year was one of Mrs. Ware's favorite chores.

Counselors at Po-Hi spend much time with individual students, working on schedule changes, disciplinary problems, college choices and vocational guidance.

Mr. Tom Wyatt was in charge of all of the college entrance tests, in addition to being an assistant principal. He and Mrs. Beaubien served as senior counselors.

Junior counselors were Mr. Paul Ingersol and Mrs. Velma Mitchell. Mr. Ingersol doubles as an American History teacher. Mrs. Mitchell is director of activities and junior class sponsor.

Mrs. Barbara Ware and Mr. Delbert Carlile are sophomore counselors. Mrs. Ware is the sophomore class sponsor and also an American History teacher. Mr. Carlile is an assistant principal.

Mrs. Mitchell assists students with all types of problems, such as this group, preparing for the panic.

Mr. Carlile checked on absent students daily during the year.

Counselors for this year were Mr. Paul Ingersol, Mr. Delbert Carlile, Mr. Tom Wyatt, Mrs. Velma Mitchell, Mrs. Barbara Ware, and Mrs. Ruth Beaubien.

Head-custodian Mr. Woody Russell phones instructions to his staff.

Pausing for a T.V. break during the course of a school day are Laura Davenport, Iwila McCune, Gertrude Russell and Hazel Owen.

Never-Ending Responsibilities Face Custodians

Enjoying a bit of Frank Bewley's piano playing are Charley Potts, Woody Russell, George Andrews, Matthew Moore, Ivy Nelson, and enjoying it most of all, Frank.

The fine custodial staff of the Ponca City High School is an invaluable aid to our school. Every school day our custodians are here to open the buildings and keep them in sparkling condition while we attend class. Aside from these regular duties, the staff assists at school dances, sports events, and other outside activities.

Making up the ten member staff are six men and four women custodians. Mr. "Woody" Russell serves the school in the capacity of head custodian and is responsible for coordinating activities and assigning respective duties.

Eye appealing, original layouts are goals of the 1969 Cat Tale Staff. Staff members are assigned several pages and must follow certain steps in creating these layouts. Final drafts must be approved by the editors.

Selection of sophomore members is the climax of the year. Six general staff members and one photographer are selected.

Experience is gained through annual workshops of the Oklahoma Interscholastic Press Association held each summer at Oklahoma University.

Each senior holds a specific job, working with sports, copy, layouts, etc., while the juniors try their hand at every phase of yearbook preparation.

Editor-in-chief Kim Hogan consults with sponsor Mr. Paul Ingersol and Taylor Publishing representatives Mr. Barc Curtis, and Mrs. Lu Carroll.

Band Goes to Washington, D. C. for Inauguration

"Step high and look sharp," was the motto of the marching band as it performed at the home football games.

Playing Oklahoma all the way, the Big Blue Band triumphantly marched in Inaugural Parade on January 20, 1969, for President Richard M. Nixon. Chosen as Oklahoma's official representative, the Big Blue competed with several of the best bands in the state for the honor. Leaving home on Friday, January 17, the band members packed a world of fun into four short days in the nation's capital. They returned to Ponca City late Monday evening tired, but very happy, proud, and full of stories to be told to anyone who would listen.

Many other honors were also received by the band this year. In state and district competition, first place and excellent ratings were won. Tri-state at Enid and a marching contest at the Oklahoma State Fair saw the Big Blue competing with the top bands in the state. 1968-69 was indeed a very successful year for Ponca City's Big Blue.

Members of the Big Blue Band Council for the past year were Duane Bateman, Bennie Pollard, Steve Satchell, Mervin Chase, Bill Roach, Stan Long, Jo Corporan, Nancy Fralick, and Kay Black.

Enthusiastic Dynamiters Exemplify Po-Hi Spirit

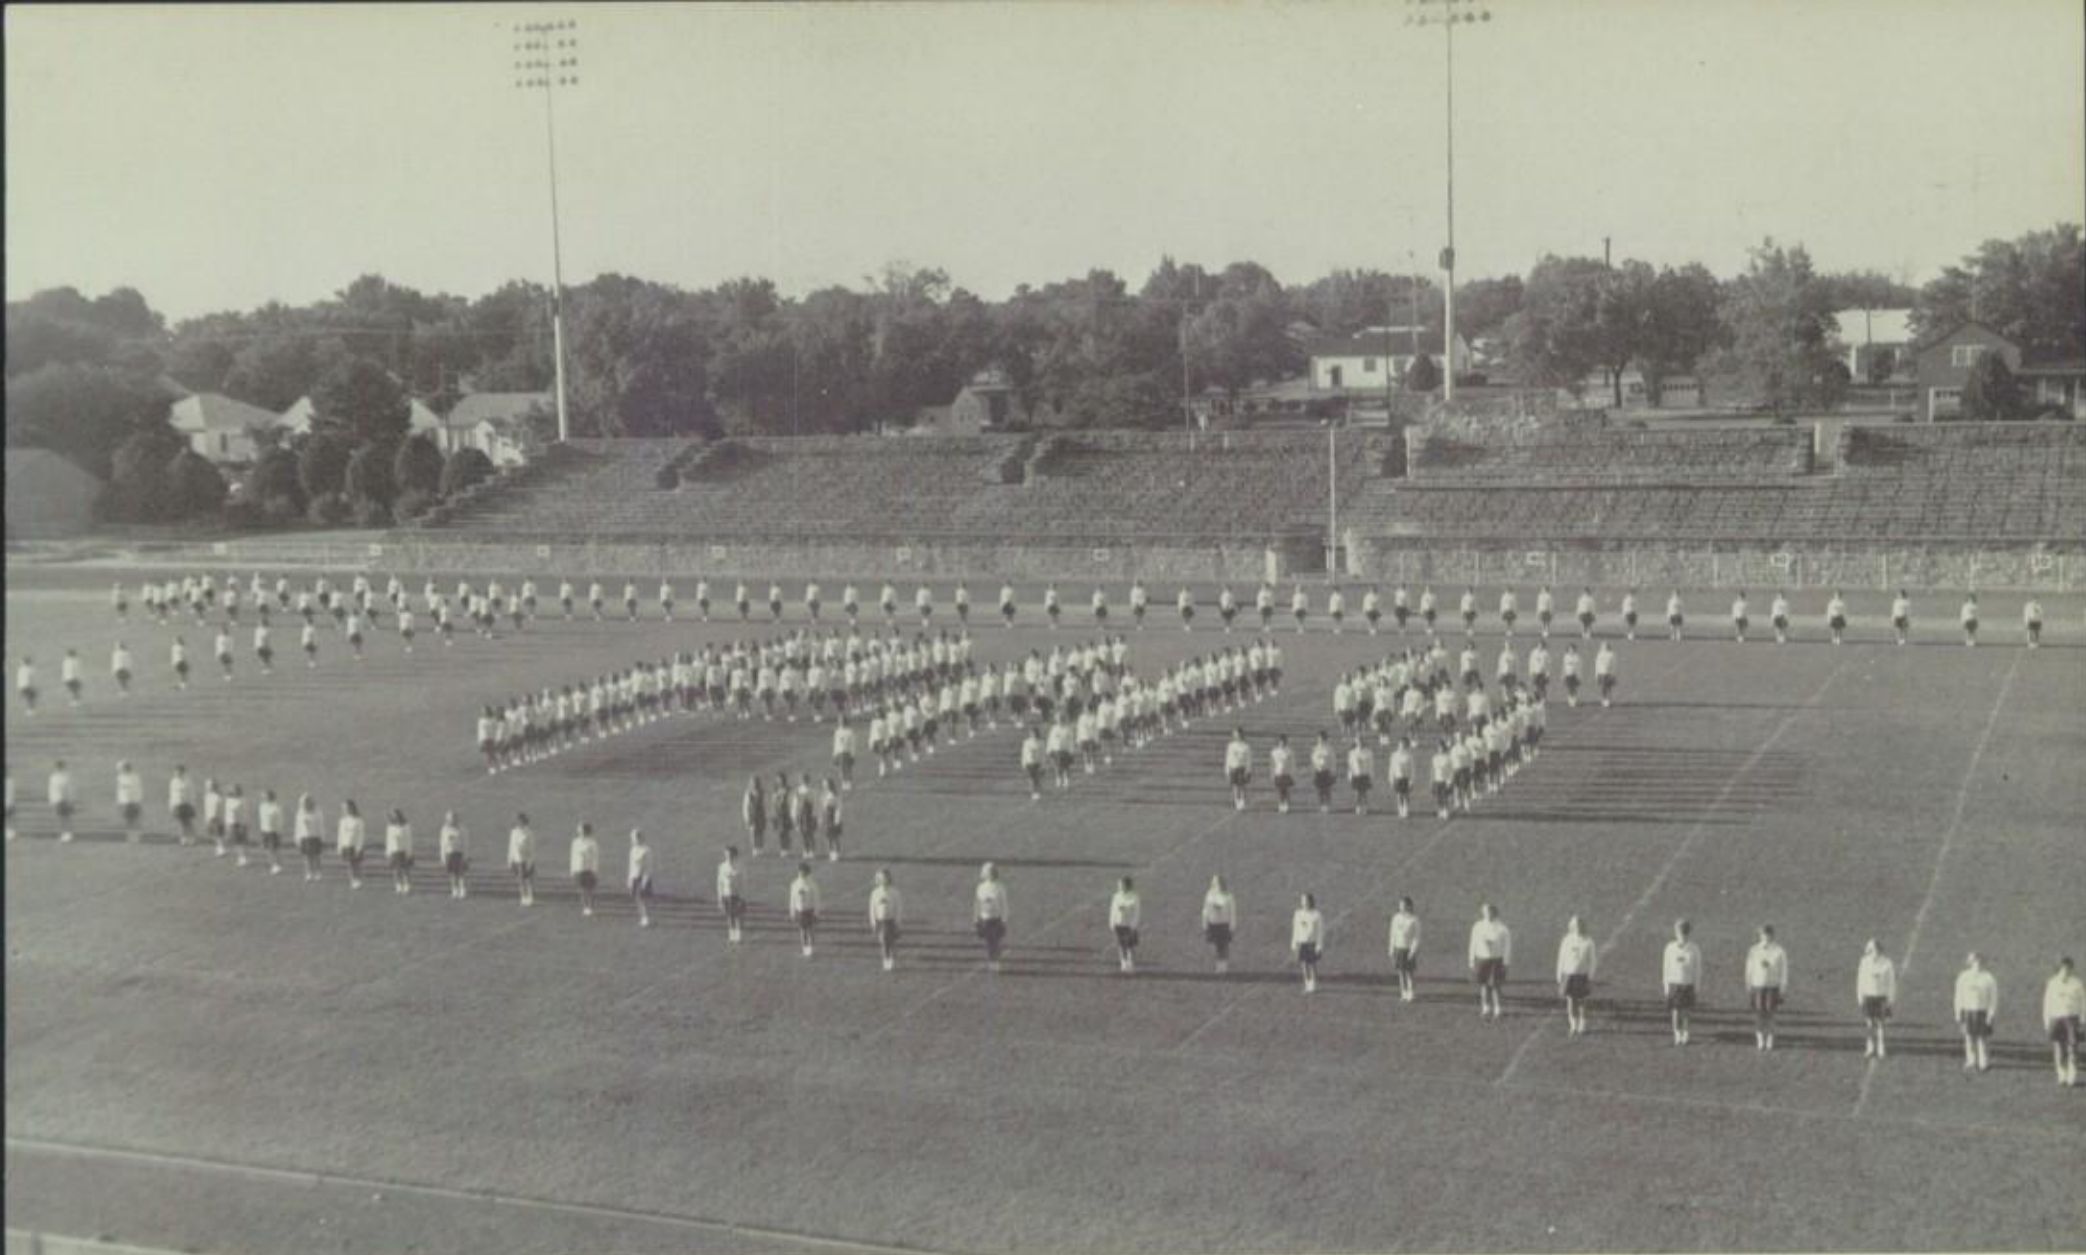

Color days, pep assemblies, spirit posters, locker room decorations, and half time performances all combined to keep the Dynamiters running from one event to the next.

This year's group kept up the tradition of being the largest and most spirited club in the state by supporting the Wildcats not only at home but on the road as well.

Together the Dynamiters, cheerleaders, and an enthusiastic student body combined to raise this year's spirit to an all time high.

The youth officers include two judges, four attorneys, two bailiffs, and two clerks. Under the direction of Judge Kenneth Holmes and Sgt. Harold Goodman the students are able to gain vital first-hand experience by actually establishing their own court.

Youth offenders are required to attend Youth Traffic School, assigned themes, or in some cases licenses may be revoked. The main goal is to educate offenders to prevent further violations.

Junior Class Presents "Take Her — She's Mine"

Mrs. Moore, directing the junior play for the first time, was assisted by Kevin Bales and Teresa Bates.

Pon-Dram Panic Featured Student Talent Line-Up

Individual acts, homeroom skits, and humorous scripts all made the 1969 Pon-Dram Panic a success. The Panic student board chose the theme, Po-Hi Line-Up, and selected the performers on the basis of talent, ingenuity, and suitability. Three acts were presented, two of individual talent, and one of homeroom skits. Winner of the annual homeroom skit competition this year was, Miss Bagby's senior homeroom. Student directors and emcees of the Panic, Bill White and Dan Webb, worked with teachers, administrators and fellow students to produce a successful program.

Talented Phil Brown sang a solo in the chorale number, "If Ever I Would Leave You."

written by the Tri-Hi-Y girls for Pre-Leg, the preliminary to the state session. Their bills were debated and recommended for passage by the student legislators.

Welfare programs continued by the club included the annual Christmas party for White Eagle Indian children. Another project was giving "brotherly" attention to a local fifth grade boy.

Hi-Y Club Promotes Sportsmanship in Elementary Sports

The Hi-Y Club of Ponca City Senior High School is an Organization sponsored by the Young Men's Christian Association. The members participated in refereeing football, basketball, and baseball games for the elementary school leagues. Through their efforts they helped to promote sportsmanship while giving the grade school youngsters a chance to participate in organized sports activities.

The members also took part in the Pre-leg session at Stillwater and the state Youth and Government Program at Oklahoma City by sending a large number of delegates. They were accompanied by the Tri-Hi-Y Club and presented numerous bills concerning various issues which were debated and voted upon.

Po-Hi changes quite a lot every year and among these changes are the two AFS students. Being one of these, I want to let you know that every one of you has been wonderful in one way or another. There is no possible way to thank you. I hope you will remember Balta Castillo from Chili because I will never forget you.

I have never enjoyed so much going to school and for me there is only one way: co-education.

Yes, Po-Hi is all right!

Balta Castillo

Rita hammed it up for the Panic audience in Wittmer's home-room skit.

Balta participated in the Wildcat Relays and helped Quigley's homeroom nab the senior championship.

Crowded halls . . . busy teachers . . . boys standing along the wall . . . daily morning announcements . . . these things would always remind me of dear Po-Hi. When I first set foot in the massive and impersonal building, I thought that it would always remain that way. Well, after nine months I don't think that it is cold and unfriendly at all. Within these buildings I've found lasting friendships. I hope that whoever comes next fall as the AFS students will get the same friendly and commendable treatment that I got. Once more, I would like to say thank you very much. I had a wonderful time here at Po-Hi, and I hope that our paths will meet again.

AFS: A Beginning for Better Understanding

The American Field Service Club brings the world at large much closer to Po-Hi. The foreign students sent to America bring the knowledge of their country's customs, principles, and ideas with them. In turn, we attempt to send home with the representatives a realistic picture of America and the invaluable gift of better understanding.

Officers of the Po-Hi club this year were: Kathy Harris, President; Connie Aitken, Vice-President; and Marilynn Fuller, Secretary.

This year we were hosts to two AFS students, Rita Tamondong from the Philippines and Balta Castillo from Chili.

As AFS representatives Rita and Balta were often called upon to speak for various civic and school organizations.

Assisting at the hospital has been the weekly responsibility of each Paramedic Club member. They carried out the routine tasks of running errands to Central supply and the lab, and dis-

tributing food and water to the patients. Additional projects for the year were formulated at monthly meetings at the high school. Selling bubble key chains was their money-raising

project for this year. Other plans for this year included a trip to the Health Careers Day, March 7 in Oklahoma City.

Awaiting their orders at the nurses' station are Paramedic Club officers: Carolyn Ownbey, Jami Thomson, Nancy Quinn, Connie Ramsey, Marilyn Ownbey, and Mrs. Sally Gay, sponsor.

A SPECIAL PLACE

*Everyone has a place, a special place
Where dreams come true and memories
take birth.*

*Here you are free from the past
But not yet dependent on the future.
There is no storm of society here.
Life drifts by smoothly
Like sail boat on a tranquil lake.
Love comes so freely, yet passes so
gently.*

*Tim no longer has any significance.
This place has been spared
From the agonies of worry and defeat.
Alone it thrives on the fruits of
happiness
It does not fade with the summer.
This place exists for everyone
Deep in their heart.
But only those seeking it
Can find that special place.*

Wildcats Repeat as Oklahoma-7 Conference Champions

Ponca City and Enid's own Bedlam Series continued to be one of the hottest football rivalries in the state. Before a spirited home crowd, the Wildcats defeated Enid for the first time in five years by a score of 20-12.

The Wildcats chalked up three more victories against Tulsa Edison, Stillwater, and Bartlesville before meeting conference arch-rival Tulsa Hale. Playing in Tulsa, the Wildcats displayed their best blocking of the season. Their powerful and hard-nosed offense built up a lead early in the game and when their defense held off a second-half comeback by the Rangers to post a 34-30 victory.

Ponca City suffered its first defeat at the hands of Class AA State Champion McAlester. The Wildcats' only other defeat was to Tulsa Rogers by the score of 19-16. After a seemingly great first half in which they grabbed a 16-0 lead, the Wildcats went dead and failed to stop the big Rogers' offense.

The Wildcats bounced back to win their next two games and they clinched the conference title against Tulsa Central in a penalty infested game.

Playing at home in a drizzling rain, the Wildcats once again faced Class AAA State Champion Tulsa Washington in the state playoffs. One or two bad breaks kept the Wildcats from the state finals and a probable state championship. The Wildcats scored 32 points on the Hornets—more points than the entire total scored against Washington in the past two seasons.

Ponca City set an Oklahoma Seven Conference record by winning two consecutive conference championships.

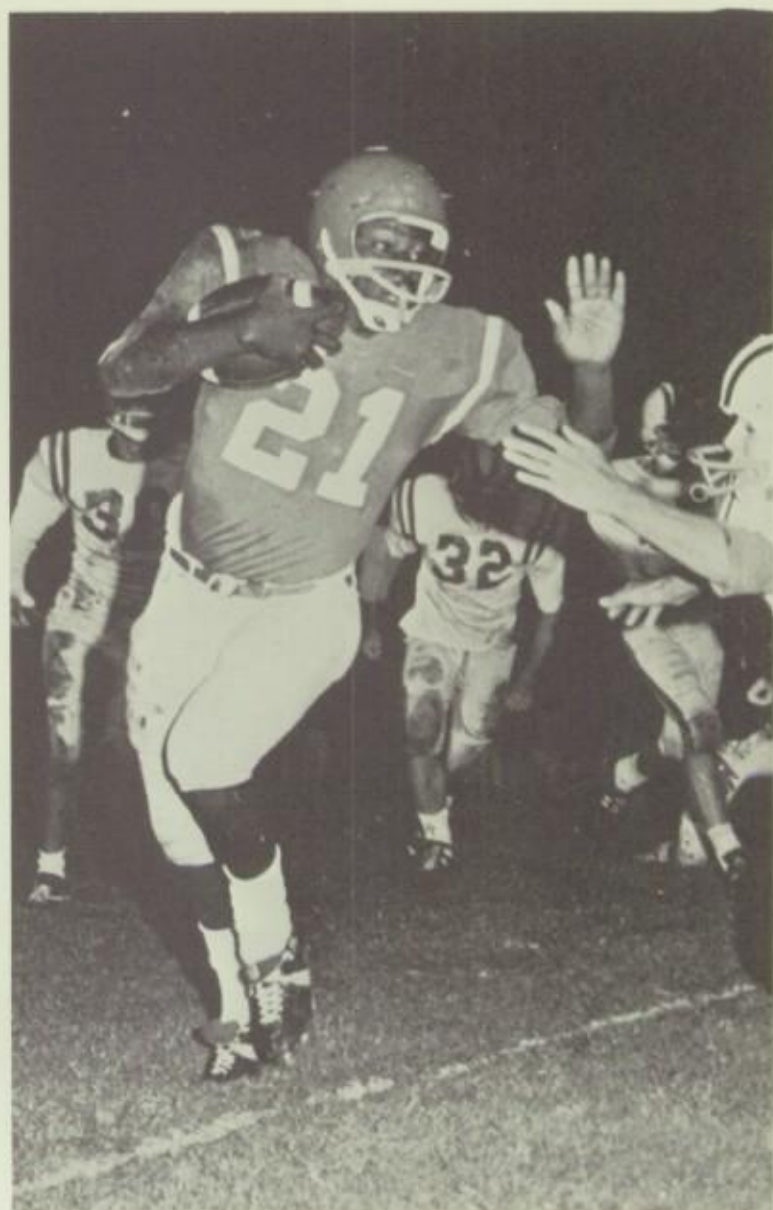

Several players were rewarded for their outstanding efforts. Halfback Dick Coates was voted on the All-State team. All-Conference players were Ersel Holder, Joe Heath, John Lee, Bill Collins, Rodney Christy, Roger Sharp, Rusty Ogle, and Kenny Stark.

Power and determination were the qualities that earned John Lee an All-Conference position and recognition as "the best blocker in the state."

Size and numbers were the assets of this year's Sophomore football team. The sophomores displayed a considerable amount of talent within their ranks. On several occasions they showed that they could score consis-

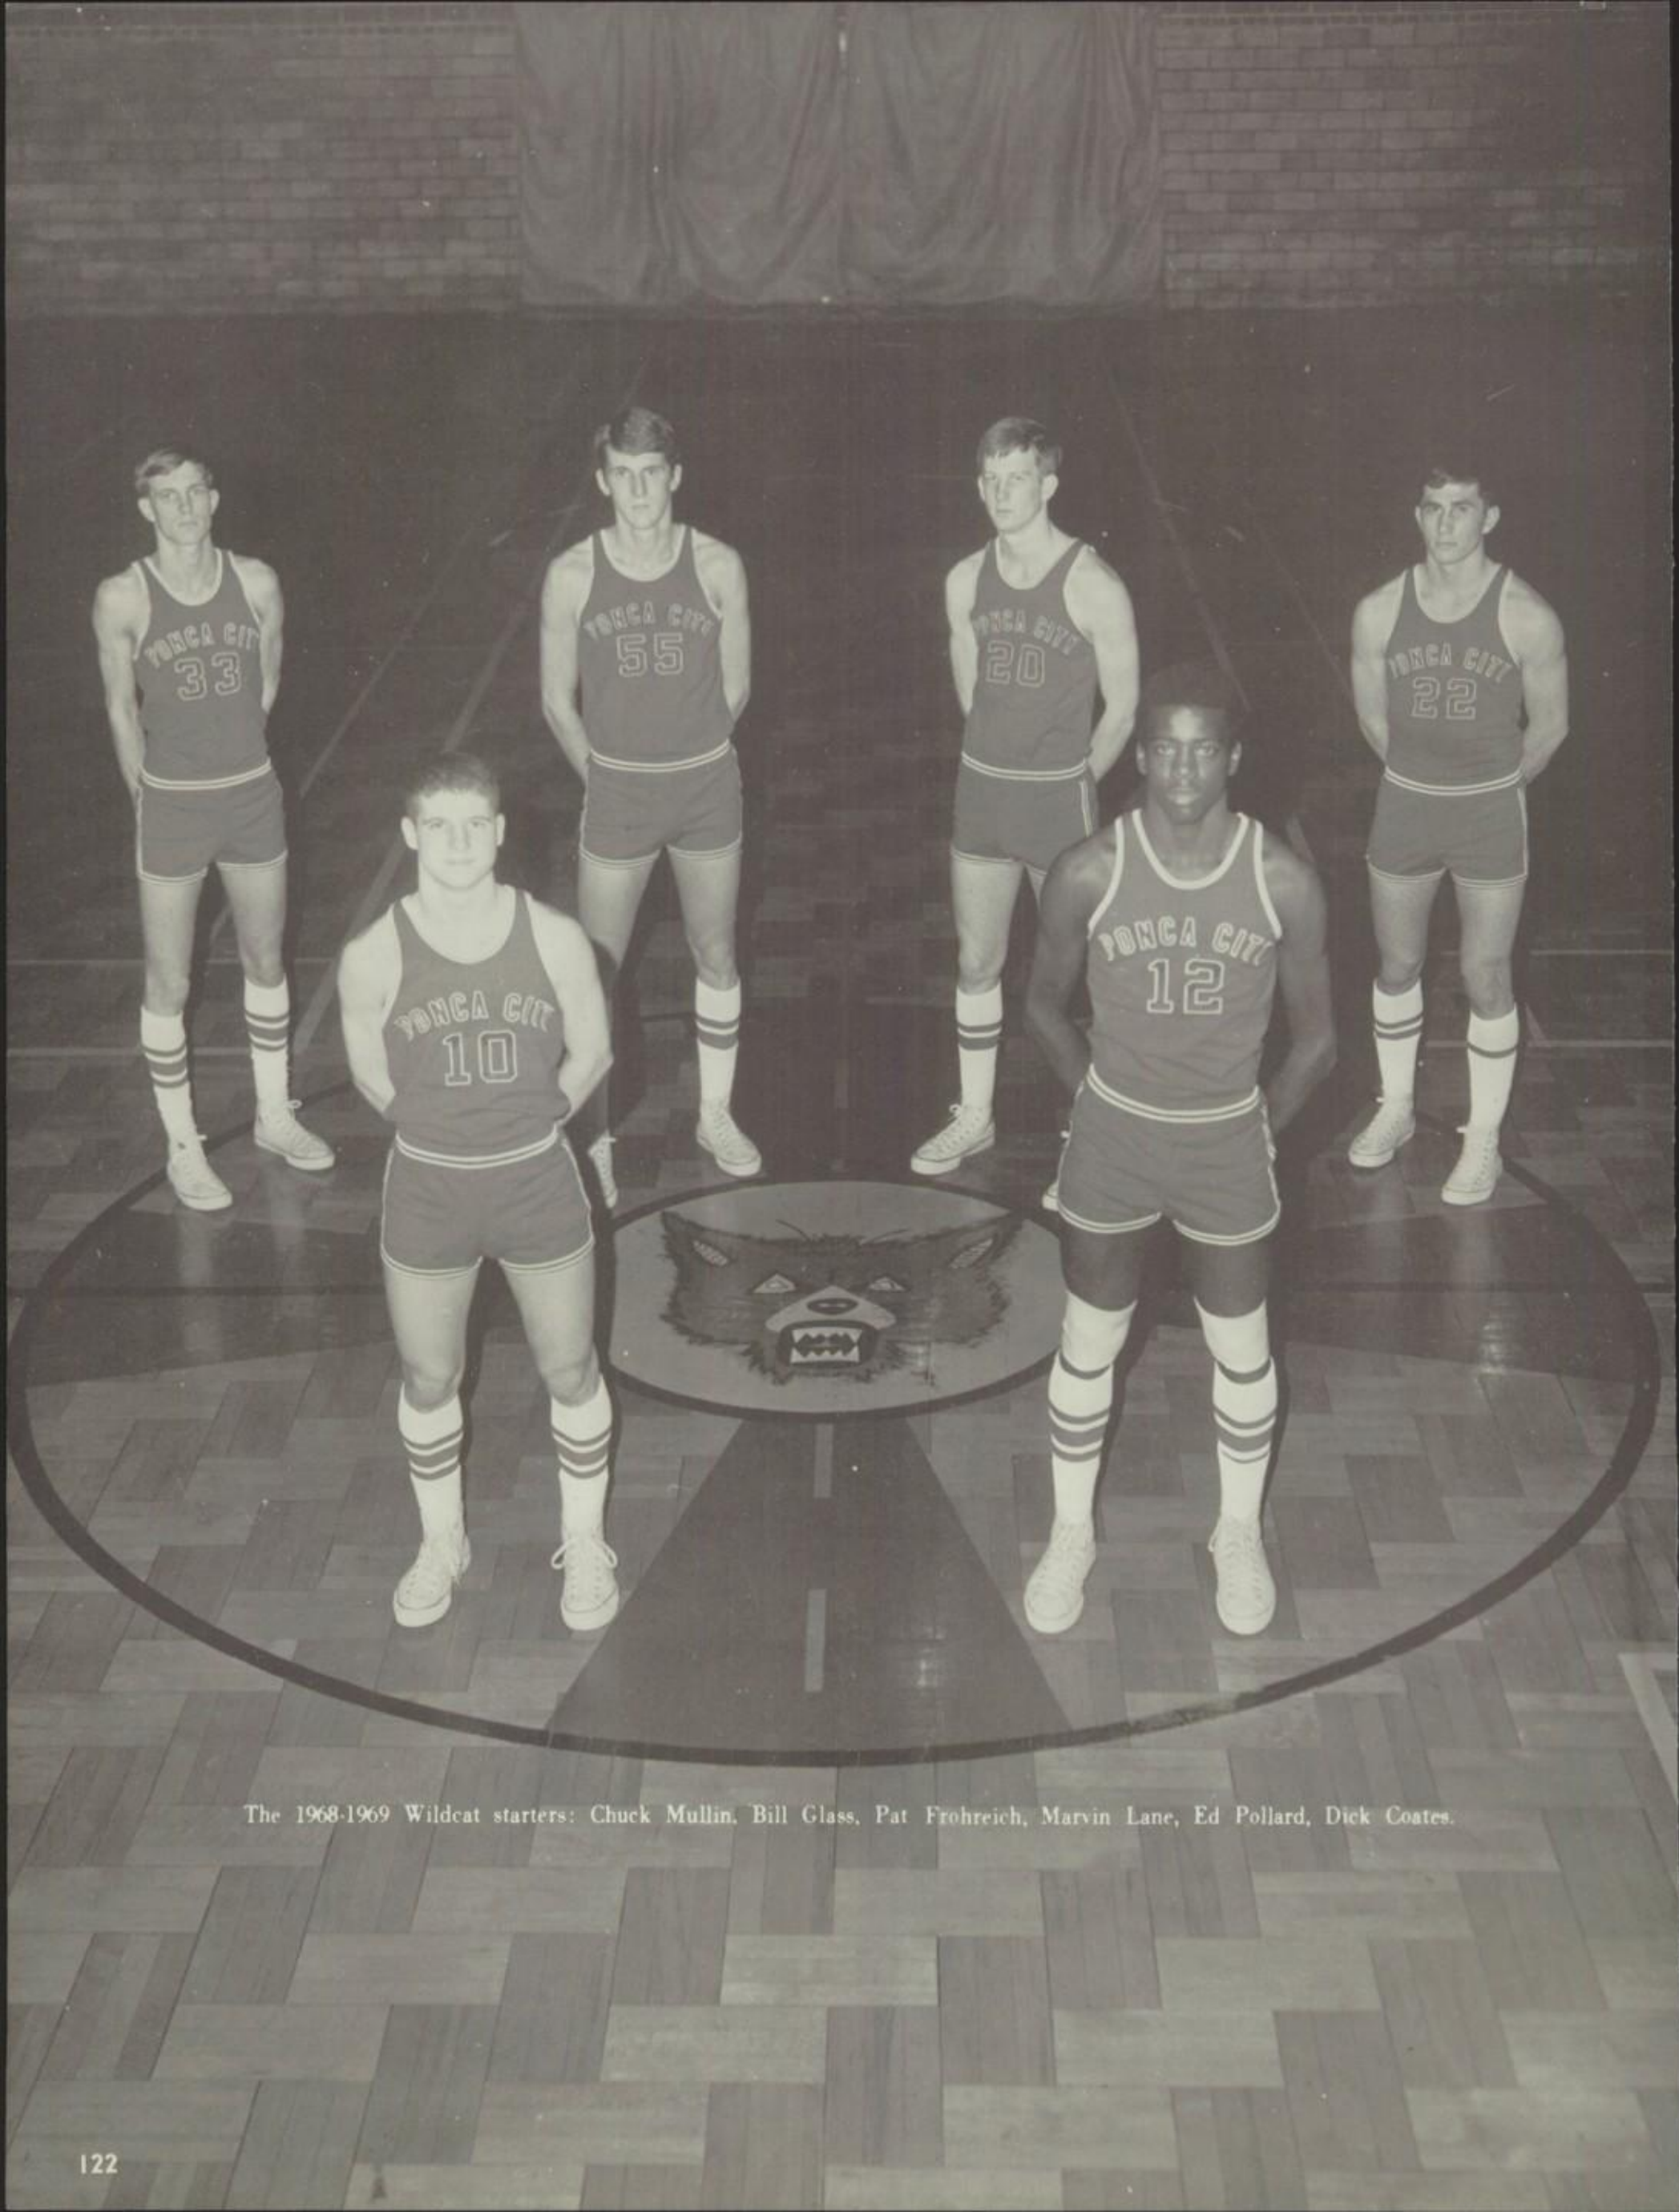

tently with their best game being their 34-0 trouncing of Bartlesville Sooner. Under Coaches Runyan and Eskew, the sophomores gained valuable experience, and next year's varsity can expect several juniors in the lineup.

Coaches Dewey Runyan, Currens, Jerry Runyan, Leming, Wilson, and Eskew comprise the coaching staff that has led the Wildcats to three conference championships in the last four years.

Tough Okla-7 Conference Limits Wildcats' Success

The tough Oklahoma Seven Conference was even tougher this year than in years past. Three out of the four teams in the state semi-finals were Oklahoma Seven teams. This tremendous competition and the inability to get together as a team consistently were the reasons for the 1968-1969 Wildcat basketball team's disappointing year.

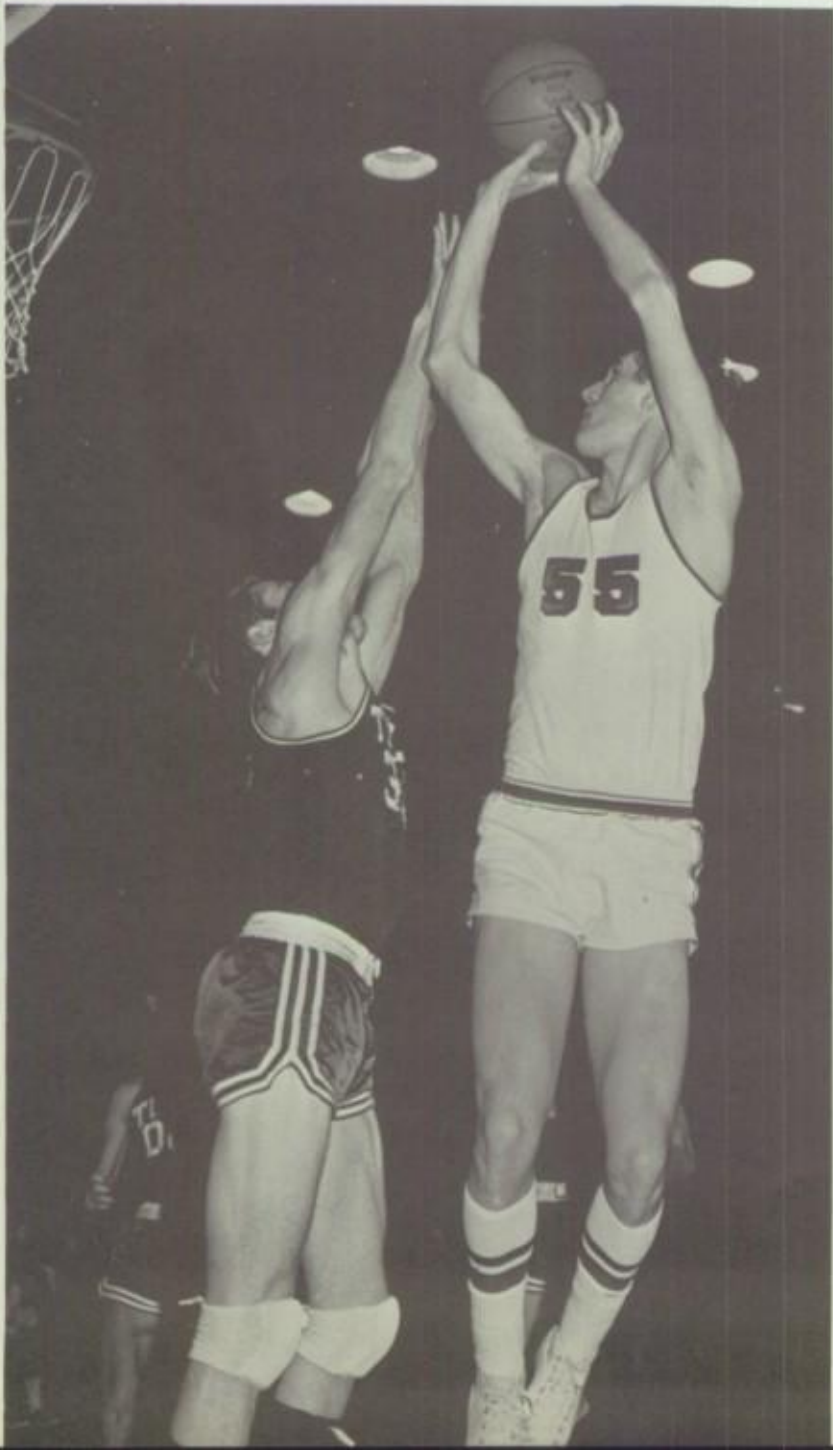

The outstanding point of the year for the roundballers was when they went to the regional tournament. After

having defeated Bartlesville, Sooner, they matched baskets with Bartlesville College during the entire game of the regional finals. The Wildcats finally bowed to Bartlesville by the score of 41-43, a result of a controversial referee's decision.

Lacking a consistent offensive attack, the Wildcats countered with a stingy defense. During the season they were one of the top five defensive teams in the state.

Enthusiasm Main Theme of Cross Country Team

Building to a climax is the nutshell account of the 1968-69 Cross Country Team. Though they finished sixth in the conference the team was hard-working and enthusiastic throughout the season.

The beginning of the season the team looked sparse but ended with sixteen boys.

Undaunted by their primary losses to Enid, Edison, and Wellington, the harriers steadily improved and went

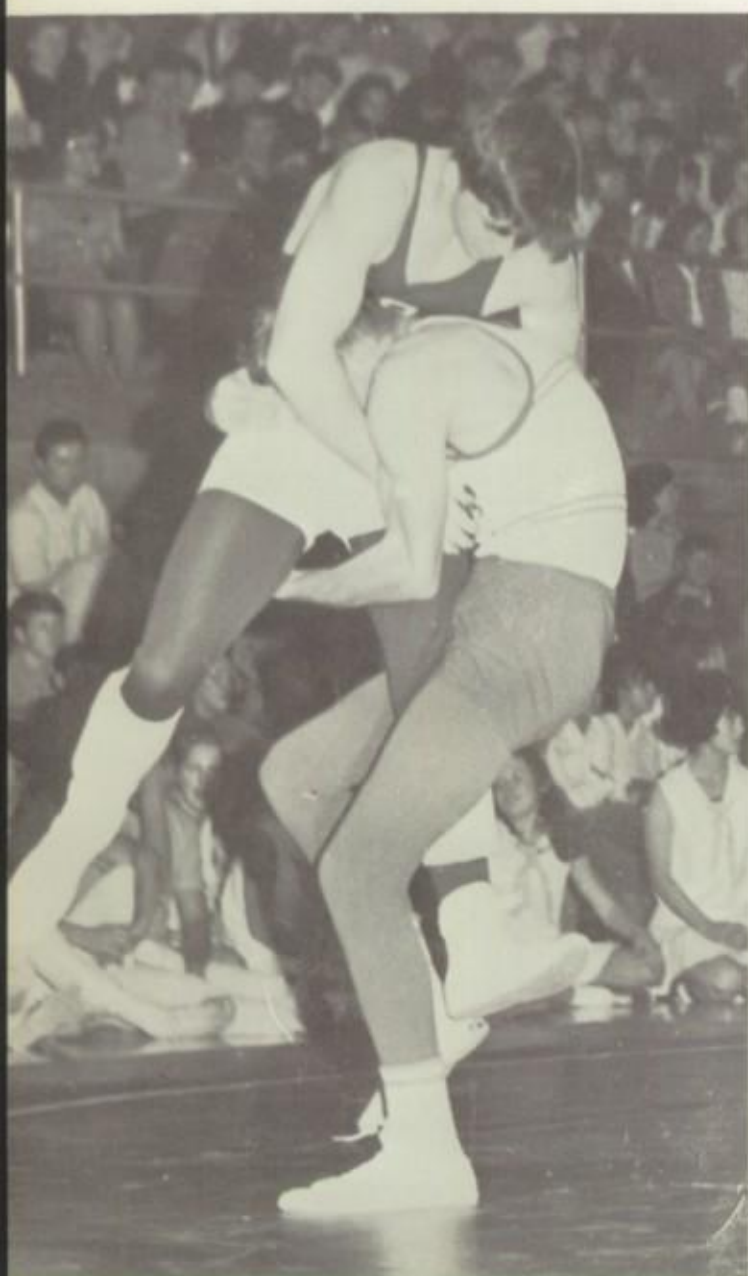

on to defeat Bartlesville Sooner twice.

The Wildcat Harriers placed eighteenth in the Edison Invitational, but fought their way to a fourth place in the Ark City Meet.

Wildcat Wrestlers End Season With 10-3 Record

Wildcat Mark Yerkes trips up his opponent with a lap ride.

The 1969 Wildcat wrestling season began this year in Arkansas City, Kansas, home of the Kansas state champions. It was the scene of the Ark City Invitational Tournament where the Cats first battled Winfield. In their first dual match the Wildcats left the mat victorious with the score 47-3. A similar score resulted from the next match when the Ponca City boys literally swamped the Wichita Kapaun grapplers 43-3. The next two duels saw the Wildcats meeting two state champion teams, Ark City and Stillwater. Not to be denied, the Cats came through on both counts, defeating Ark City 26-15 and Stillwater 26-20.

Coming on strong in early December the matmen were home for the first time against Bartlesville College. The crowd went truly wild as the grapplers pinned the Bartians 44-5, collecting six falls enroute. Next on the list for the season was the annual Big Four Tournament where the four state powers finished Stillwater 88, Ponca 72, Perry 68, and Blackwell 58.

The next week saw a rematch with Blackwell. The rivalry ended for this year in favor of the Poncans 30-14.

Home once again, the Cats were challenged by Tulsa Central who fell 21-17.

Due for another run-away, the matmen journeyed to Muskogee where they steam-rolled the Roughers 40-6. This was to be the last of push-overs as Ponca squeaked by Perry with a score of 24-20. We fell the next week to Tulsa Hale in a highly controversial match. This ended a nine match winning streak and apparently took its toll in team morale as the next match saw the Cats bow to Stillwater 16-25.

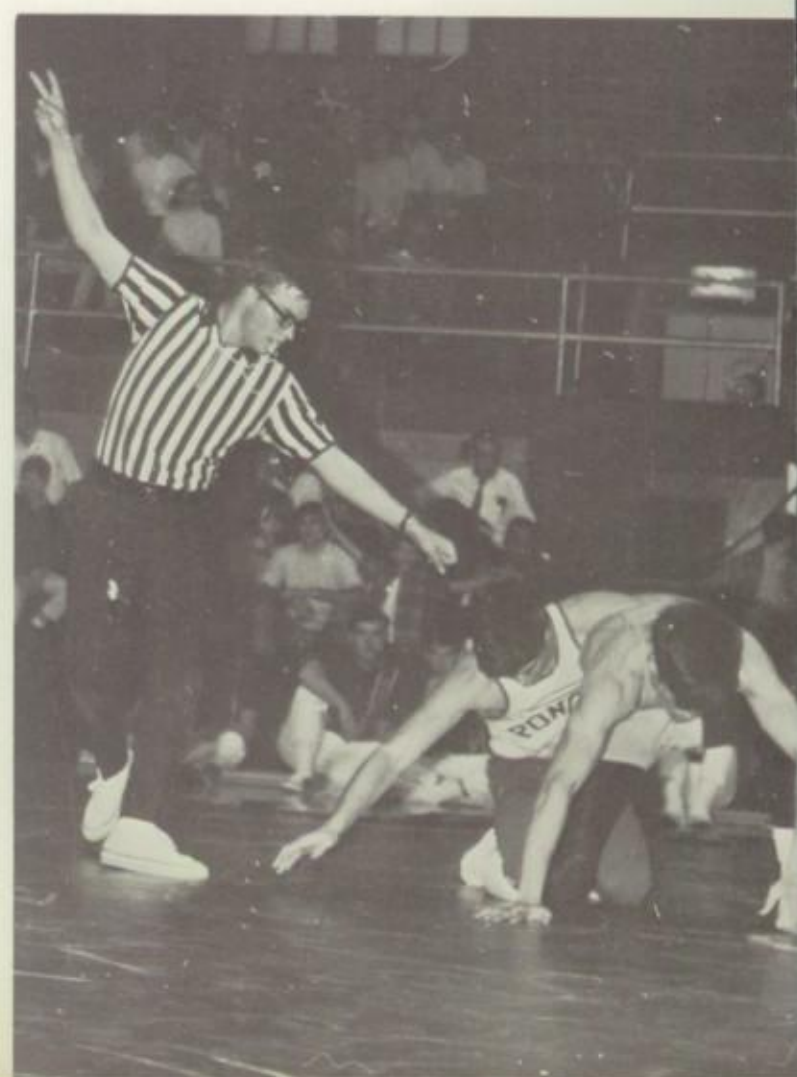

Back in Tulsa, the Cats defeated Edison 26-13 to grab a share of the conference title, only to have it vanish from their grasp as Tulsa Rogers tip-toed past the Poncans in the heavy-weight match winning 18-20.

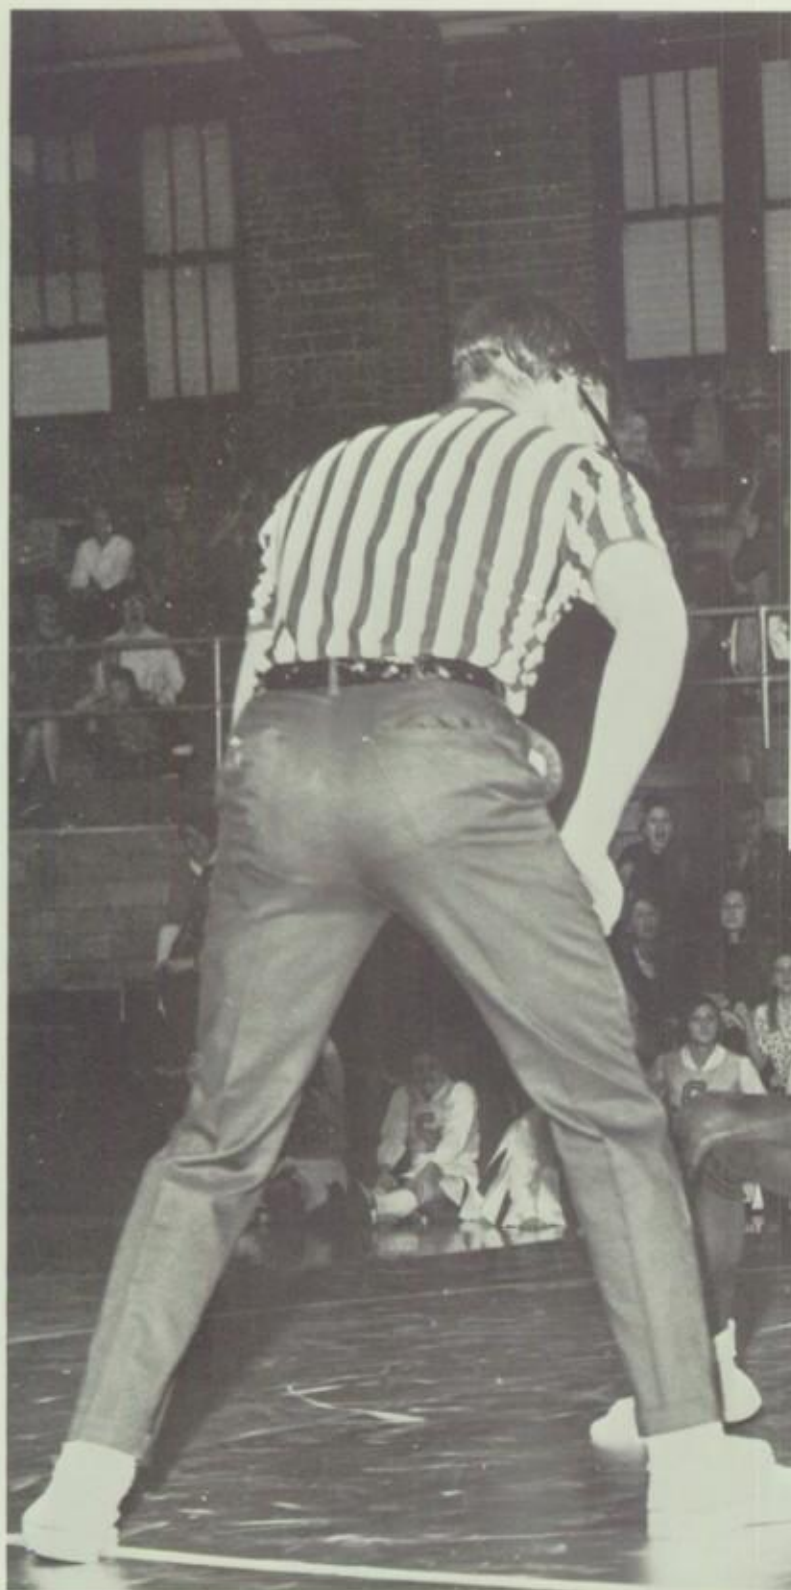

After a season of near misses, injury and bad breaks kept Ponca out of contention for the regional title. The Wildcats placed five men at the regionals, who went on to state tournament at Norman. Bill Butterfield took third place, while Rick Harris brought home the Class AA 130 lb. state championship.

BOTTOM RIGHT: Bill Dickey is awarded two points for a successful single-leg take-down.

After injury and graduation, the Wildcats built their wrestling team out of four returning lettermen. Much credit goes to the sophomores who proved invaluable as they took over six key positions on the squad.

Although the Wildcats lost the conference, the team showed up extremely well-balanced. Rick Harris was state champ at 130 lbs., while Bill Dickey remained undefeated in regular season with a record of 17-0. Bill Butterfield placed 3rd in the state, Mike Kolb, Phil Miller, Craig Wittmer, Bill Klienman, Mark Yerkes, and Joe Hicks all ended up with winning seasons.

Cat B-Team Defeats Top Conference Opponents

The Wildcat B-Team Wrestlers had a very successful season this year. The team dropped the second match coming back from the Christmas holidays, but went on to run over the next five opponents. The overall record was 6-1 with most of the victories coming at the expense of the highly-rated conference rivals.

The strength of the B-team combined with the young varsity squad look to a winning season next year.

Varsity Volleyballers Go Undefeated to Win State Championship

Po-Hi's Varsity Volleyball Team went undefeated to capture the state volleyball championship.

The boys started practicing at the beginning of the homeroom intramurals and were coached by Mr. Walt Roseborough and Mr. Lloyd Gelmers. The team defeated Braman for the county championship, making them eligible for the regional tourney where they defeated Garber for the regional crown. In the first round of the state tournament, the Wildcats defeated seven-time State Champion Wynona. In the semi-finals, the volleyballers blanked Pernell two games to 0 and in the finals, they rolled over Goodwell to keep their perfect record intact and grab the state championship.

Pat Frohreich's hard spiking was one of the reasons why the Wildcat Volleyball Team went undefeated.

Coach Jerry Runyan's Sophomore Track Team Shows Promise for Future

Because of the wide range of events each of which require individual training, track is a sport which emphasizes athletic versatility and physical endurance.

Although the team this year was small in number, it showed up some exciting moments. Senior high-jumper, Marvin Lane shattered his old record jump of 6' 2" with a euphoric jump of 6' 6" to win the conference crown in that event.

With many top sophomore prospects the Wildcats have a lot to look forward to in next year's track team.

Cats Lose Regional 1-0 to Eventual State Champs

The Wildcat baseball team had a very successful season, barely missing the state finals. With bad weather hindering pre-season practice, the Wildcats dropped their first four games. However, they bounced back and finished the season with a 13-7 record.

The Cats seemed to catch fire in tournament play. They handily took care of Bartlesville Sooner in the Re-

gional elimination and in the Regional semi-finals the Cats defeated tough Tulsa Rogers in a ten inning thriller. In the finals they lost a heart breaker to would-be-state-champion Bartlesville College 1-0.

Two of the senior Wildcats, Bucky Harris and Bill Glass, received all-state alternate recognition in two of our state's newspapers.

State Championship Captured by Po-Hi Netters

Darryl Hess, number one man, practices his return serves.

To take state was the goal of the 1968-69 boys' tennis team and they realized this goal as they tied with Muskogee for the championship. Number one man Darryl Hess was defeated in the state finals but Phil Landauer won his bid for the number two spot state championship. In the doubles competition, the team consisting of Bruce Barger and Larry Randle progressed to the finals, but were then defeated. Other members of the team were Bobby Blubaugh, Paul Waldron, Jim Ferree, Steve Powell, and Gary Fagan.

Lots of hours of practice paid off for Phil Landauer in a state championship.

Po-Hi Girl's Tennis Team Places Third in State

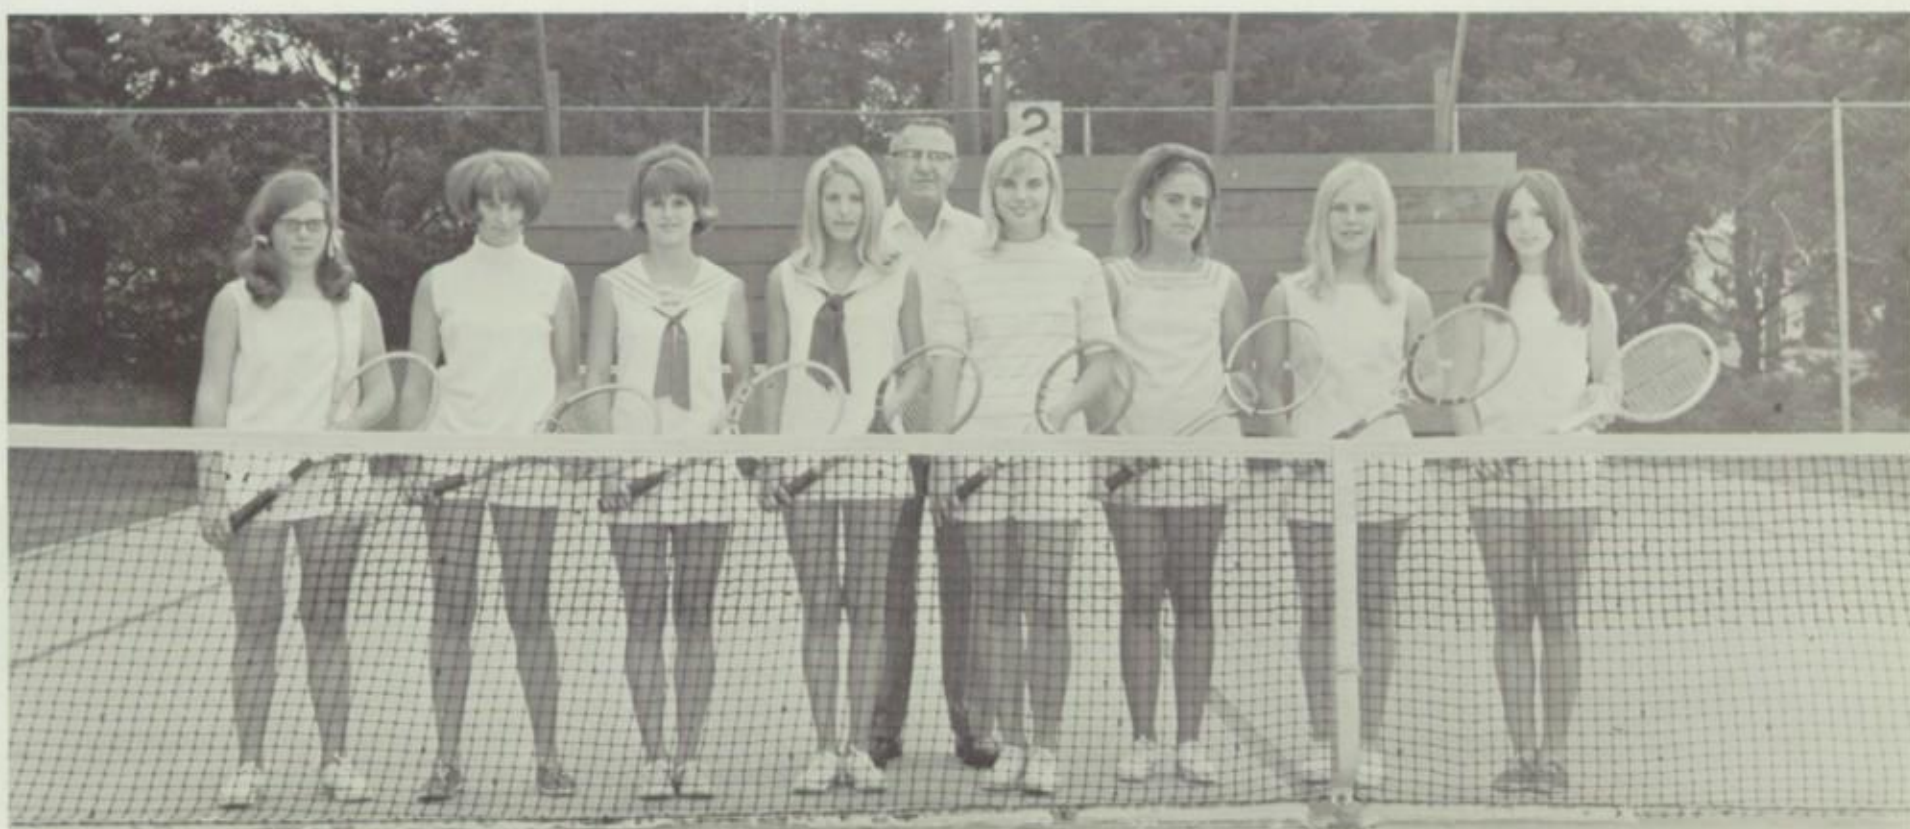

Po-Hi's 1968-69 Girl's Tennis Team completed a very successful year, participating in four tournaments. At Midwest City, they placed third, and at Alva, captured first place. Hosting the Ponca City tournament, they came out in second place. Competing in the state tourney at Norman, the team won third and Beverly Barger received second place in the girl's number one singles. Ann Skidmore won the Dorothy Hankins trophy as the outstanding senior member of the team.

Grueling Endurance Sport Portrayed in Swimming

Although swimming arouses less public interest than football, basketball, or wrestling it is none-the-less considered to be a sport which requires a great deal of conditioning.

Both the boys' and girls' teams, coached by Dewey Runyan and Ralph Chesser, were able to place in state competition; the girl's capturing second, and the boys' team ranking eighth, in addition to ranking third in the Oklahoma Seven Conference.

Terri Butt, girls' team captain, led the girls' scoring by placing second in the 50 yard freestyle, while sophomore Doug Cooper led the boys' team by placing second in the 100 yard breaststroke.

Girl's team members included: Tina Wong, Janice Rowe, Martha Hundley, Annabelle Witcher, and Terri Butt.

Boy's team members included: FRONT row seated: Peterson, Gore, Carter, Albright, Countryman, Stewart, Edens, Peckenpaugh, Hedrick, and Walker. BACK row: Talbot, Sanders, Butt, Kirk, Cooper, Anderson, Scovill, Wong, Coach Dewey Runyan, Coach Ralph Chesser.

Senior Class Dominates Homeroom Intramurals

Senior Kenny Miller slams a hard spike while junior Ronnie Davis attempts to block.

Intramural Sports participation at Po-Hi increased this year with the addition of basketball competition. Miss Bagby's senior homeroom carried off the first championship trophy.

World Series Volleyball Tournament play resulted in a victory for Mrs. Beaubien's senior homeroom. Other class winners were Mrs. Ritcheson's juniors and the sophomores of Mr. Ingersol's homeroom.

Wrestling on the homeroom level continued to draw a great number of participants. Dick Coates was named the outstanding wrestler of the tournament.

Mrs. Beaubien's homeroom team captain, Dick Coates, goes high above the net to slap another hard shot.

Senior Creek Scott takes aim on a jump shot against Mr. Gelmer's junior semi-finalists.

Senior Roger Sharp tries hard to get his opponent on his back.

The razzle and dazzle of this year's Wildcat Relays had at its heart a slightly more serious note. All proceeds collected from the relays and the following dance went to Mike Davis.

Mr. Don Fuss' homeroom came out first in the overall competition followed by Miss Bagby's seniors.

Mr. William McCracken's sophomore homeroom netted the tug-of-war honors with Miss Quigley's Seniors coming in second.

The excitement of the tug-of-war spreads to the spectators as evidenced by Diane DeVilliers.

Funds From Roaring Relays Benefit Mike Davis

Grinning from ear to ear, Ron Heldenbrand pursues Barry Roller in the relays.

Dan Webb, a veritable tower of strength, proved quite an anchor man for Miss Bagby's tug-of-war team.

While waiting for the completion of the wind-break, Juniors, Kevin Bales and Danny Kimmel found other uses for the frame work.

Voting was everyone's, Seniors, Juniors, and Sophomores, privilege in the Student Council elections.

Are these the winners, Phil Miller, Bill Glass, and Allen Arms, in the Bagby versus Beaubien tricycle race?

Classes

Sophomore President, Steve Powell, performs his first duty of introducing the Sophomore Assembly to anxiously awaiting Seniors and Juniors.

Leading the Senior Class this year are Debby Ford, Secretary; Mrs. Ruth Beaubien, Sponsor; Joe Heath, Vice-President; and Rod Christy, President.

Seniors '69 Leave Po-Hi, Look Toward Future

A mind once stretched with a new idea or experience can never return to its original dimension. Neither can a senior with three years of experience and education ever again be the same as when he was a sophomore.

Our three years at Po-Hi have been full of new experiences. As sopho-

mores we presented the Sophomore Assembly and were exposed to many phases of school life. As juniors we sponsored the Prom with the theme "A Summer Place," initiated the Krazy Kat Karnival, and produced the Junior Play. Highlights of our senior year were the winning football team,

the Senior Play, the Prom with the theme "Camelot," the Senior Assembly, and Senior Day.

Finally came graduation—the event which seniors had looked forward to for years. It was an event which marked not just an ending but a beginning for a promising new future.

Rummaging through old memories, Rod Christy tries to explain to Donna Ashworth and Bob Blubaugh that maybe high school isn't so bad after all.

"Albino" Joe Heath displays his winning dancing techniques in the "Senior Mister" contest.

"Ooo, that tickles," laughs Debby Ford as TV star "Festus" gives her a kiss.

In their whirlwind of activities Sr. Class officers take a few minutes to ride the Tilt-A-Whirl at the Cherokee Strip Carnival.

Susan Skinner, Shawn Daily, Debi Bunch, and Barbara Henderson get a kick out of one of the many rides.

A Po-Hi couple, Janet Merrifield and John Lee happily pose for photographer before taking in another ride.

REMEMBER WHEN ...

we sold green, play-dough cookies on St. Patrick's Day?

Christmas candles were really cheaper by the dozen?

Tarazn and Jane visited the Krazy Kat Karnival?

we saved President Stan from the peanut by selling Organ tickets?

the mooing cow took first place along with our giant baby?

we made our debut with "Take Her She's Mine?"

tradition was abandoned and we changed our class rings?

we ran through the halls with Valentine telegrams?

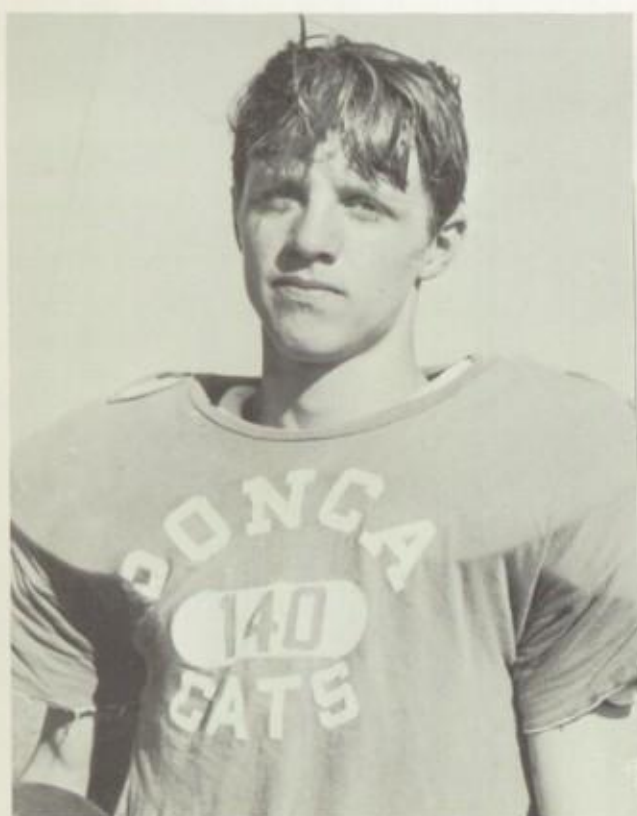

our outstanding and winning Christmas decorations?

the prom with its dragons and thrones?

Yes, we can look back and see all of our many accomplishments for the past two years, but that is the past. And so, as always, the end of one year only marks the beginning of the next.

The merry-go-round and the Junior Class both seemed to go in endless circles but officers Stan, Sue and Tracy held on.

This year's Junior Class officers Stan, Sue and Tracy had many various talents and achievements going all the way from football to ballet.

Juniors Prove They Are Leaders by Involvement

Mrs. Mitchell, Junior Class Sponsor, explains the switchboard to Sue Loving for use in the Leap Week Assembly and Junior Play.

Junior Class Vice-President Tracy Webb and President Stan Cavett prove to the students of Po-Hi that they have strong elbows.

Our unseeing President Cavett, assisted by Darryl Hess, goes fishing for a lucky magazine salesman.

Junior girls display their talents in the Junior Play—gossiping and playing cards.

Sally McMellon grabbed a line and helped entertain in the annual Sophomore Assembly.

Cherokee Strip brought many exciting celebrities to Ponca City. Sophomore officers Sally McMellon, secretary; Paul Butt, Vice-President; and Steve Powell, President found their favorite in Foreman Scotty.

Sally McMellon and Mrs. Ware "trained" their entries Steve Powell and Paul Butt in the sophomore vs. seniors peanut race.

Paul Butt, sophomore vice-president paused in the middle of football practice to flash a weary grin.

There's a big jump between being the big men of junior high and the slimies on the hill. For the sophomores there is also the transition between the "us" versus "them" of those days and the "we" of today. This year's class made the change in style—all of them. With the direction of Mrs. Barbara Ware, sponsor, the class of 1971's officers capably represented their group. Elected were: Steve Powell, President; Paul Butt, Vice-President; and Sally McMellon, Secretary. They're a good class now—Watch 'em grow!

Sophomores — A Great Jump Conquered in Style

Steve and Sally took full advantage of the rides during Cherokee Strip and held on for life.

Dennis Robinson occupied himself at the sophomore mixer slamming the ping pong ball at unwary opponents.

Goes on...

During the course of the evening Juniors and Seniors relaxed with a cup of punch in the beautifully decorated refreshment room.

Kim Ross and Nancy Quinn began "their night to remember" with cake and punch at the Pre-Prom Parties.

Prom Night started early with Pre-Prom Parties, hosted by the Massad and Monsour Families.

Prom Royalty awaits the coronation.

Since the Prom provided a variety of entertainment, Donna Doctor, Steve Ealick, Kathy Harris, and Charles Haley enjoyed a card game during one of the breaks.

Sophomore girls, Billye Sue Currens and Janie Edwards, get in on the action as they serve at the Junior-Senior Prom.

And on...

Rex Heintz helps couple, Maudie Miller and Danny Kimmel, line up another pool shot at the bowling party.

Phil Landauer and Margaret Faulconer rock-out with the Dimensions at the After-Prom Party.

Helping June Frantz with the next shot, Max Robinson hopes for another sinker.

STUDENT'S CREED

I believe in Ponca City High School and in the things for which she stands—health in body, honest work, generous comradeship and reverence for the spiritual. I believe in achievement, and I pray for forcefulness to accomplish what I set out to do. I believe in loyalty to our school and to her traditions, and I pledge upon my honor to help in all her undertakings; in all that will make her a stronger and nobler school.

"PONCA CITY, WE LOVE YOU"

In dear old Oklahoma

Fairest daughter of the West

Stands our beloved high school

In the city we love best;

We chose the blue of western skies,

The red from sunset's hue,

Now, what could be more fitting

Than our colors red and blue.

Ponca City, we love you

With your colors, red, and blue,

Ever loyal, faithful and true,

To dear old Ponca, we love you.

This was the year of 'no mercy for tardies.'

Life Speeds On . . .

The purpose of the 1969 Cat Tale has been to show how Po-Hi students relate with their nation, their state, their adults, and with each other. We hope through this year's book that we have instigated patriotism, and understanding in each of the students.

This yearbook was made possible only through the help of certain businesses and individuals. Therefore the 1969 Cat Tale would like to render its deep appreciation to the following:

Mr. Robert E. Ford . . . his understanding and patience.

Mr. Bob Westmoreland . . . his expert photography and brilliant ideas.

Mr. H. O. Phillips and Mr. Jerry James . . . their help with the Prom, Class, Graduation, and Honor pictures.

The Po-Hi faculty . . . their cooperation.

The Ponca City News and Poncan . . . their help with last minute pictures.

Miss Madge Quigley . . . her smiling face for so many pictures.

Bonnie Plunkett, Scott Arrendell, and Cheerleaders . . . their patience while we rescheduled pictures.

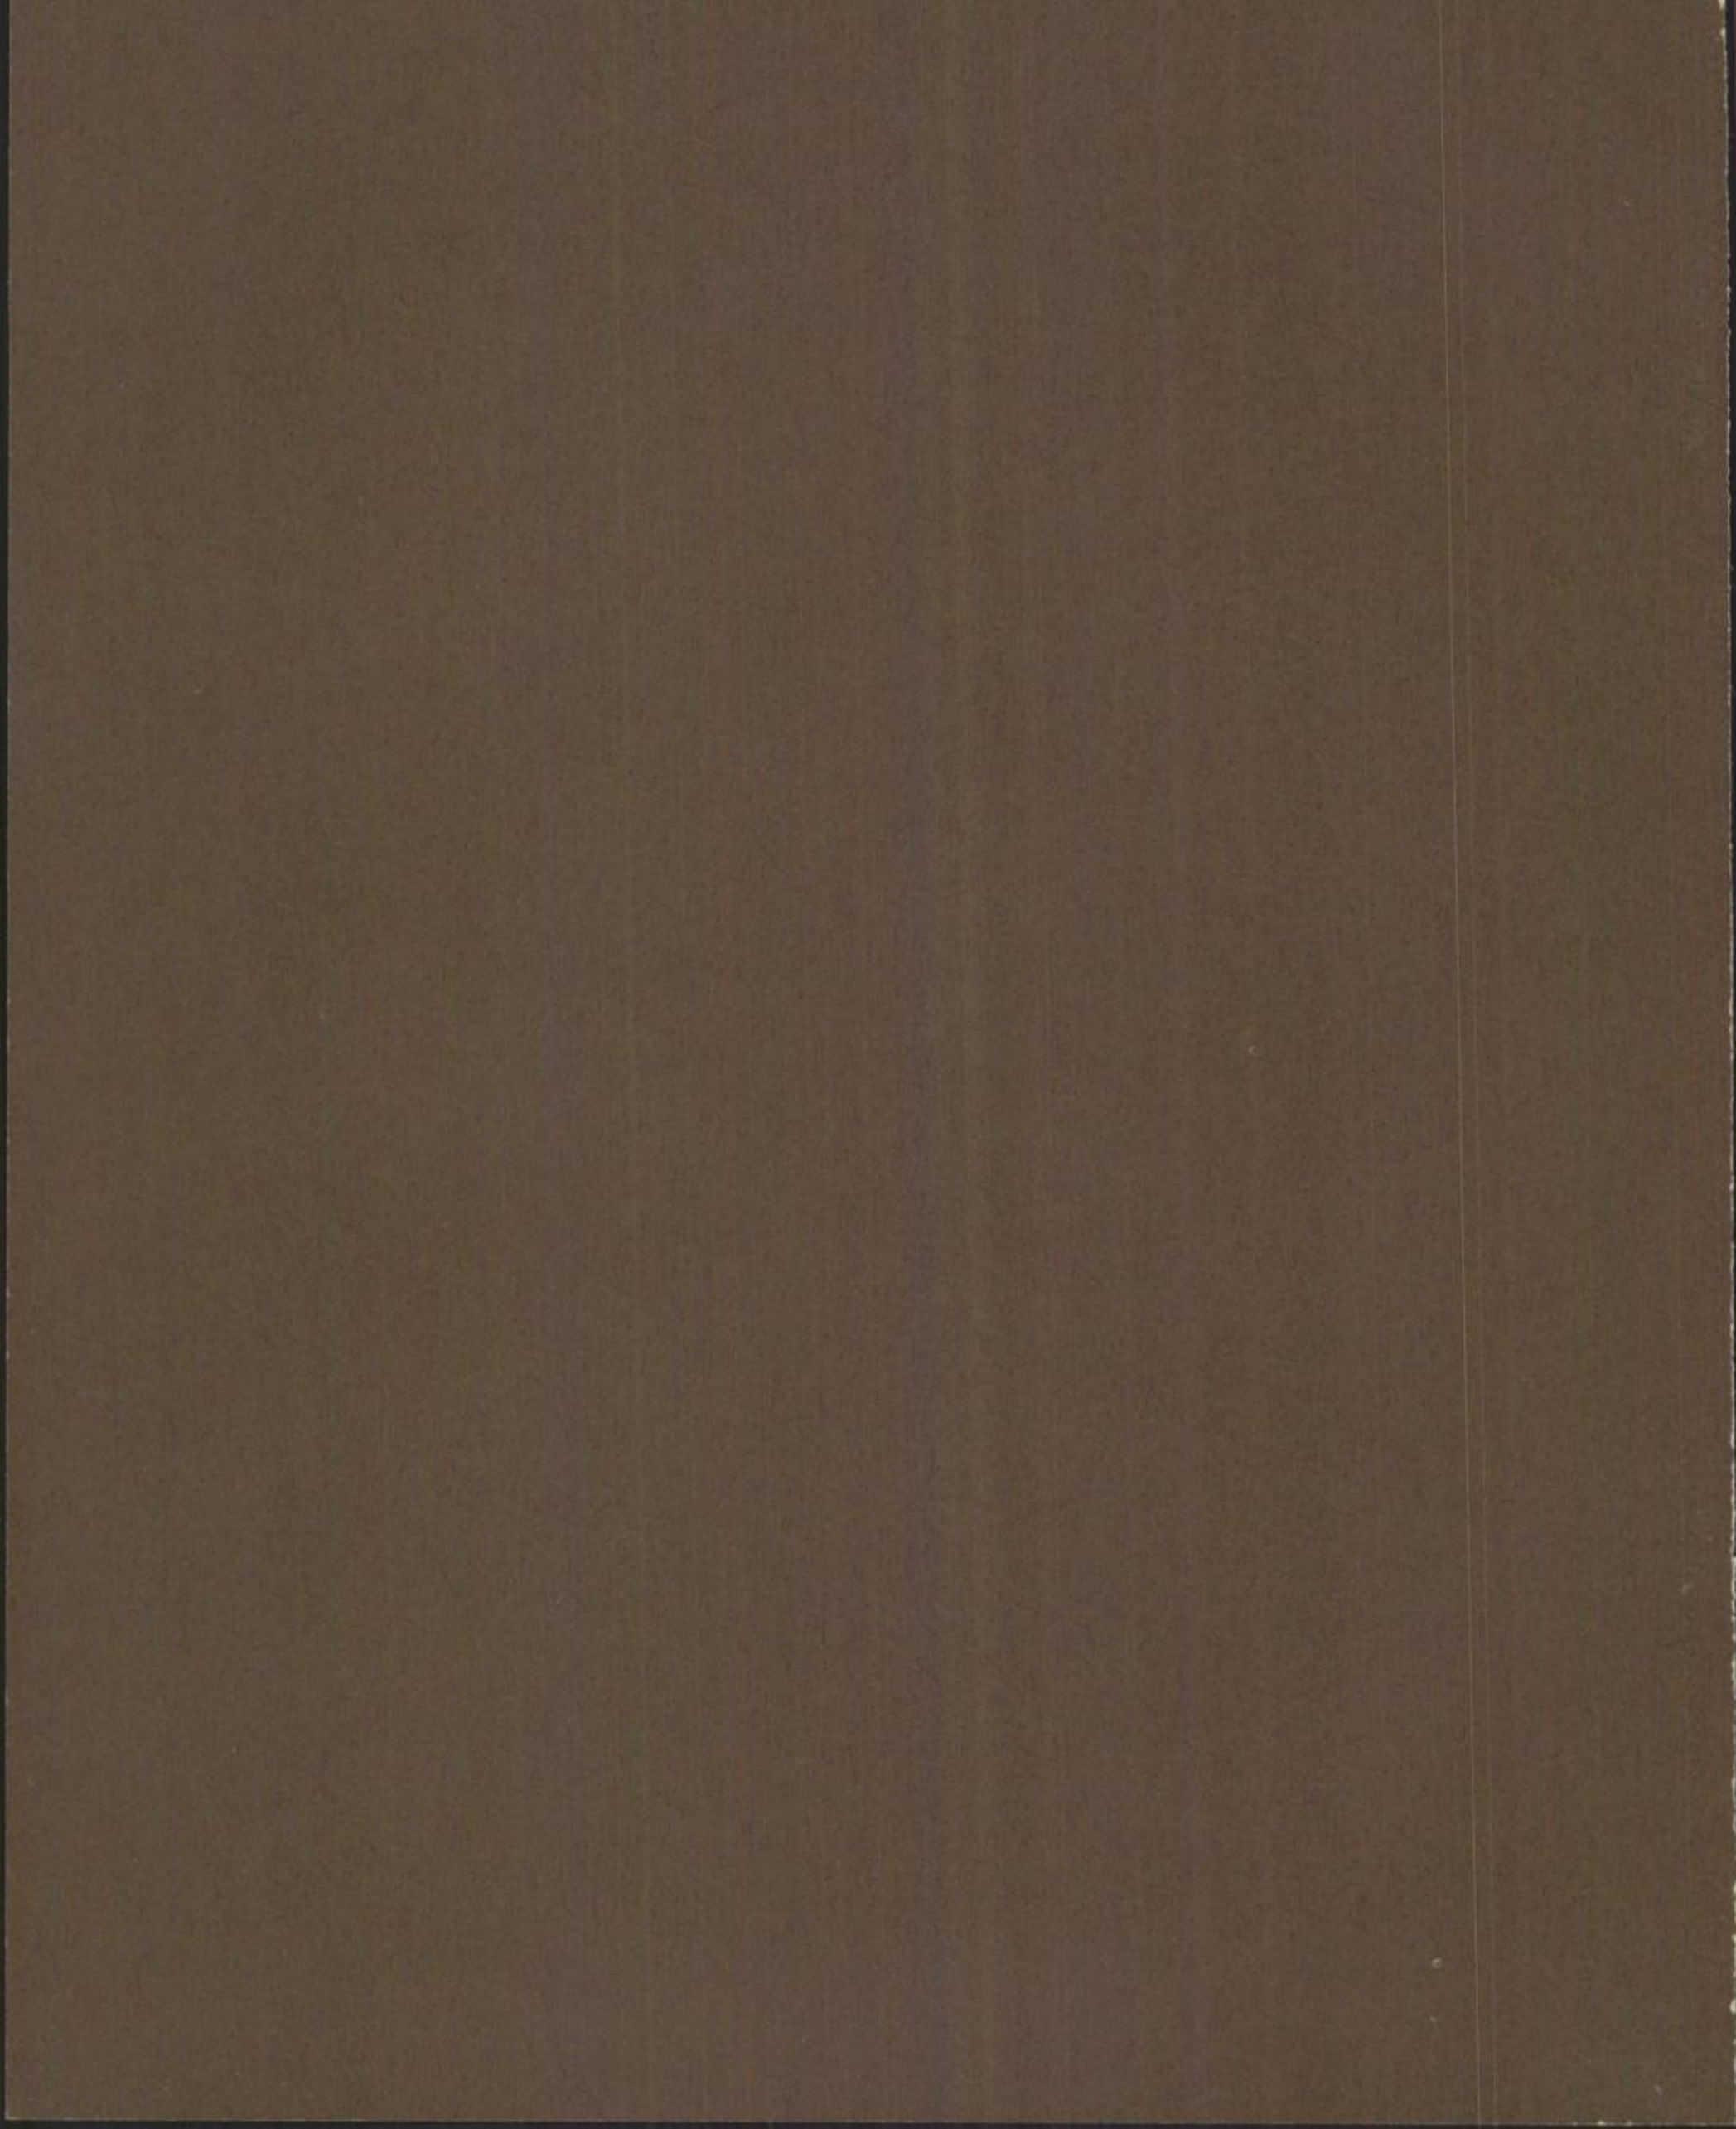

Continental Oil Company . . . the use of their background.

Mr. Barclay Curtis and Mrs. Jerry Carroll and Taylor Publishing Company . . . their guidance and help with problems.

We want to thank all of the above for all their help in producing this yearbook.

Kim Hogan . . . editor

Mr. Paul Ingersol . . . advisor

Dorothy,
I hope we're happy, and
graduate like you make it
so much more fun! You've
taught me so much. Dorothy -
about caring, about others, and
about life itself. And you've
given and given and given to
me, really taking at all. Sometimes
I have been so jealous at you for
not taking something right, or for
not paying attention. And then
I realize that you have feelings too,
and I also realize how selfish my you
I am. But somehow I know that no
matter what happens, my friendship
for you will always be there, undiminished
at all.
Thank you, with all my heart.

Daddy -

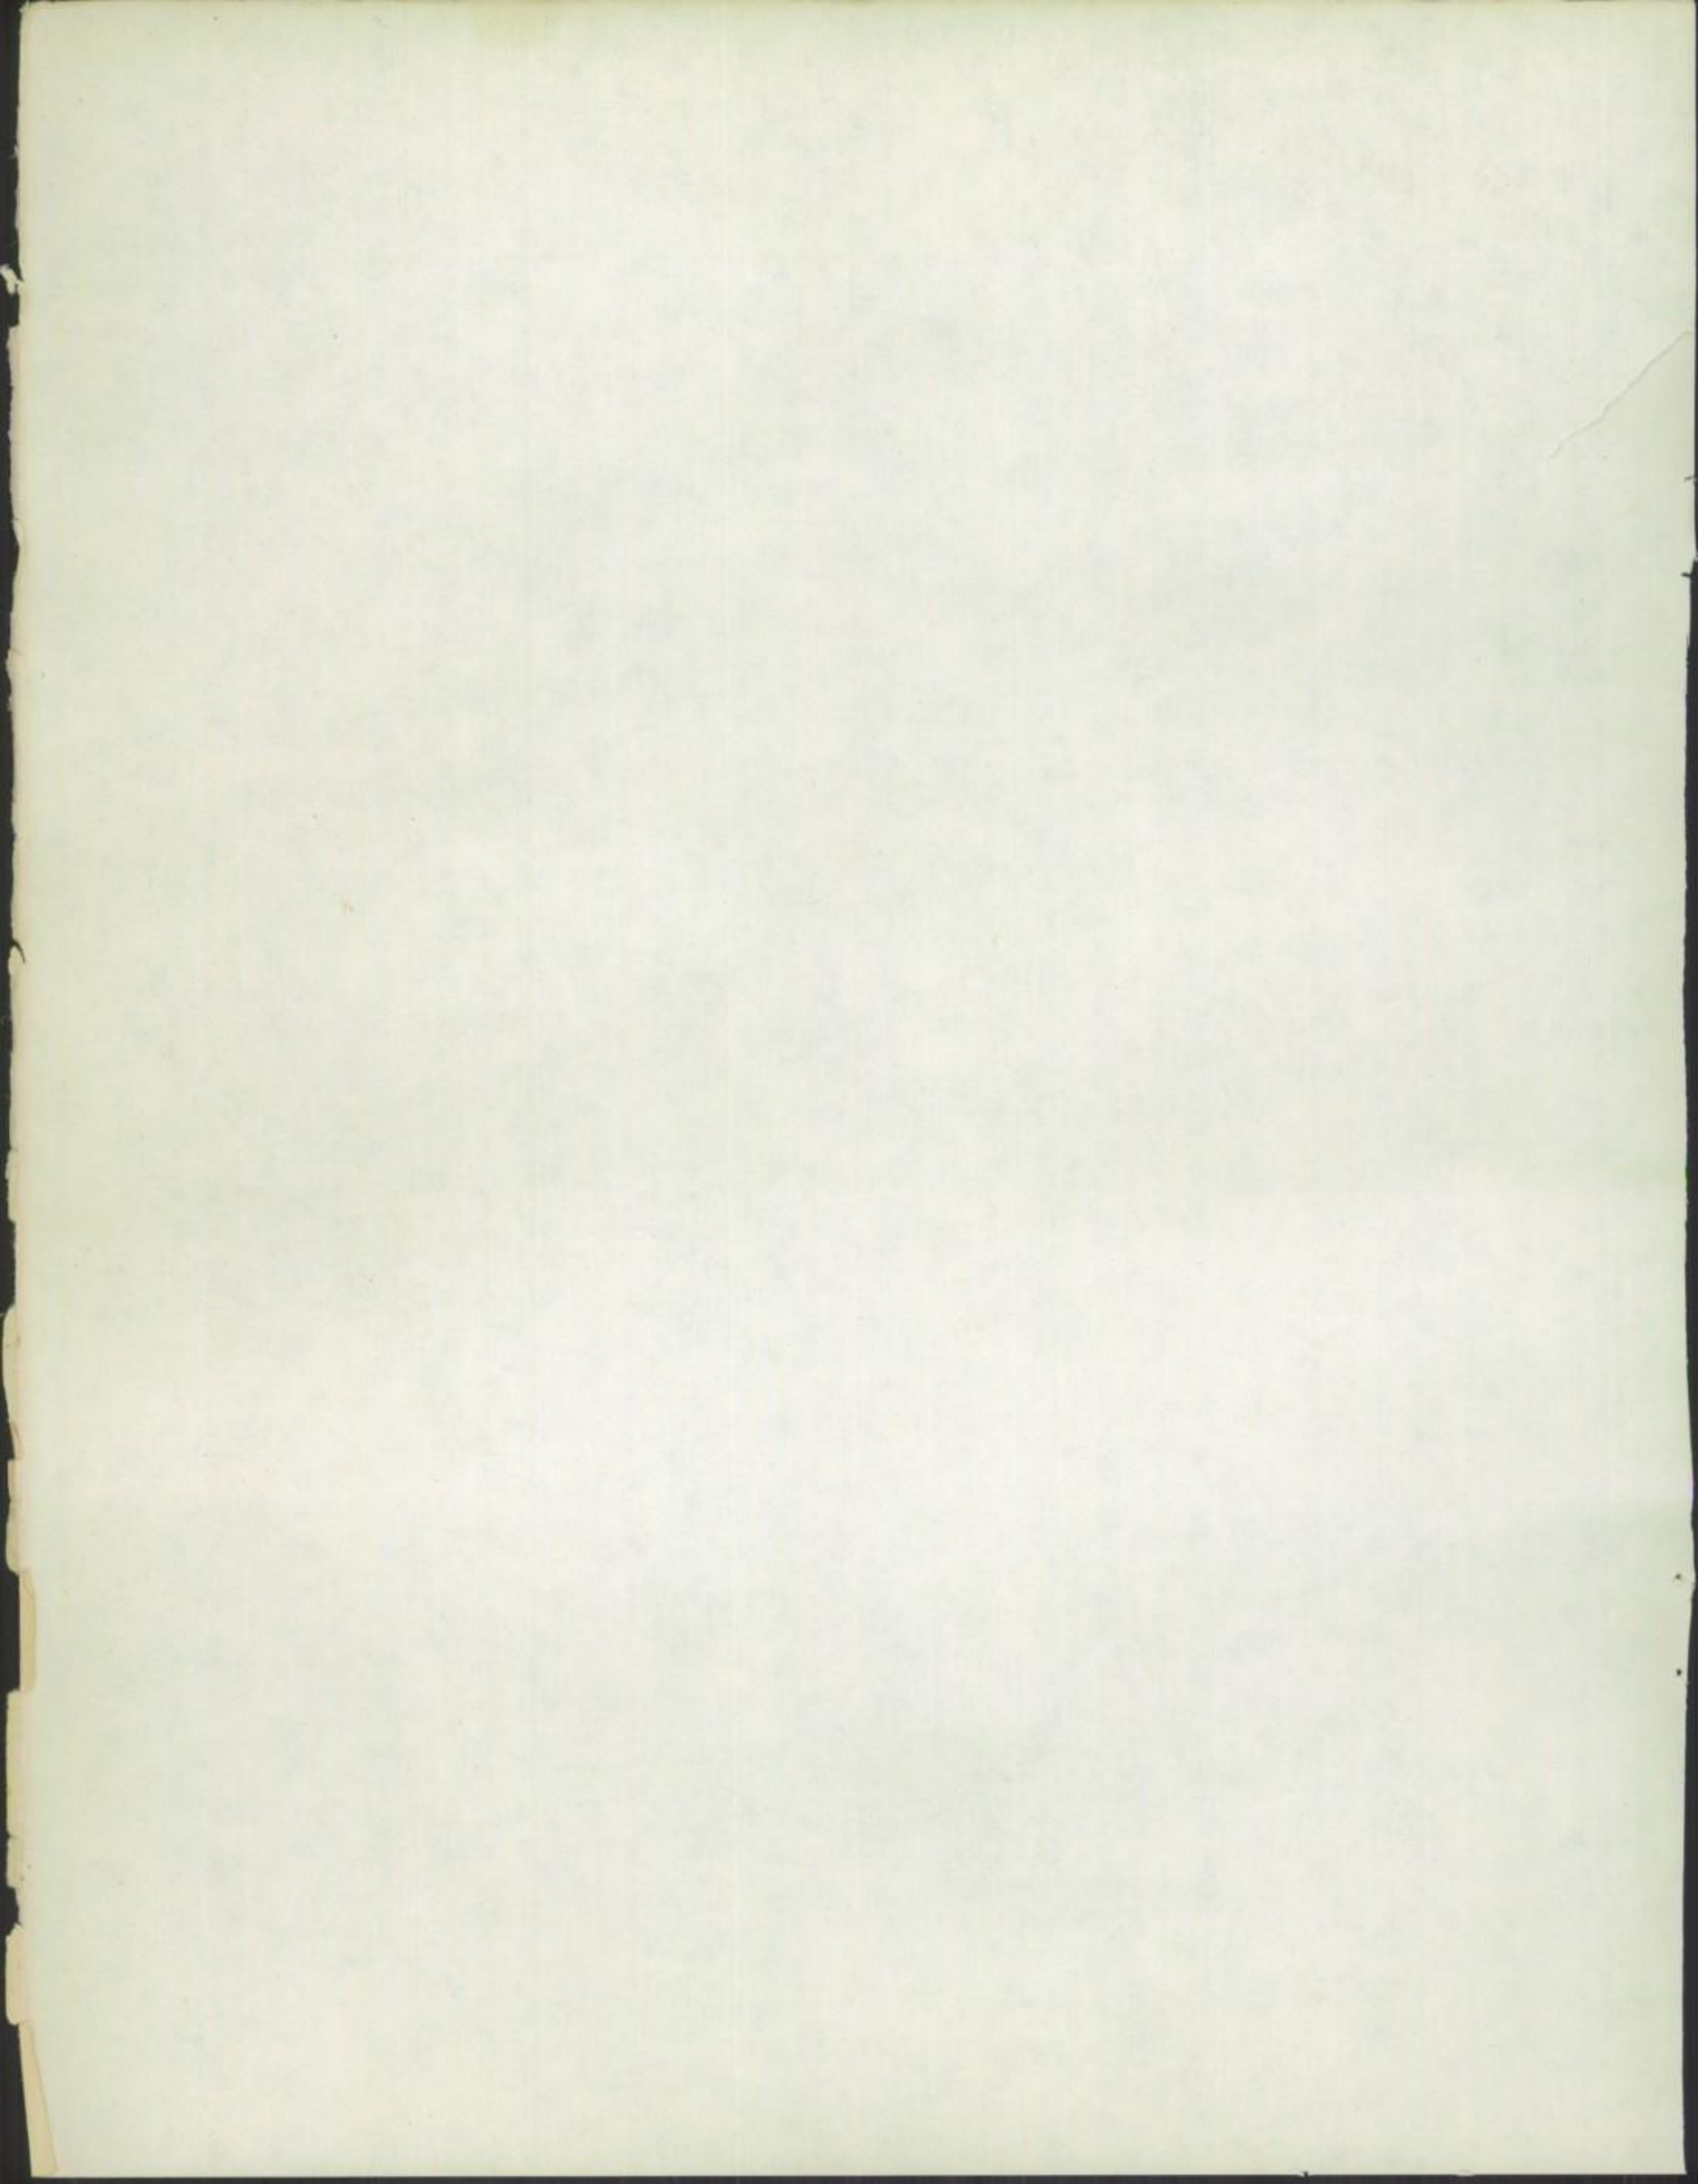

You know I hate to be flowery with words and to write "fancy stuffs" so I'm not going to.

Remember good ole Washington and Mrs. Hoffman? Our bonco swimming lessons? My mad crush on Dennis Moneymaker & Leigh Daniels (I've advanced to Mike Maddux - thank goodness)? Home Ec. & Miss Greenfields? Miss Bangs & how she cried in Evangeline? Glenn Hartman and his "turkey neck"? The concession stand, Ray Dessert, and Andy Gectenburgh's muscles? The screaming at the Tulsa Edison game? The beer stand that Dick & Bruce went in on the day home? The pep band? Roger? Washington D.C.? Heap Tree Assembly? and all the times and memories we've shared! I don't know if you're in tears yet or not - but I am. Why couldn't we have been born twins? We know each other and understand each other well enough!

You're #1 and you know you always will be! You're the GREATEST! We never grow up so you don't need to either! Lots of love "BIG SENIOR" - Sue (GOGGLES GO ^{to Mrs. Ware!})

Dorothy, help
your help
with the campaign
was tremendous. You're
sweet and very kind.
Anytime you need anything
feel free to ask. Have fun
this summer.
